Jane Austen's Little Book of Wisdom

Words on Love, Life, Society, and Literature

Compiled by Andrea Kirk Assaf

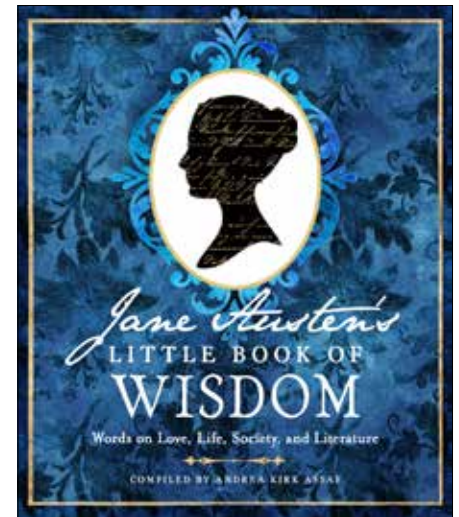

- A stunning gift package and perfect stocking stuffer for Jane Austen fans
- Jane Austen's works are some of the most widely read books in the English language, known for their sharp social commentary and insight into life's highs and lows.
- Austen's books continually form the basis for films and TV shows including *Bridgerton* and *Sanditon*.
- Similar package to *C.S. Lewis's Little Book of Wisdom* (more than 43,000 sold)

The ultimate companion for the Jane Austen fan, filled with her penetrating insights and humor on life, love, and death.

Jane Austen is one of the most popular writers in history, best known for her stories of love, loss, and hope, which are cleverly intertwined with her witty insights into the traits and expectations of English Georgian society.

Here, in this stunning little book, you will be able to read hundreds of individual quotes from her famous works—from *Pride and Prejudice* and *Emma* to *Persuasion* and *Sense and Sensibility*—each prompting an emotional response, thoughtful musing, or even a little chuckle at the wise and shrewd perceptions that Austen had of the world around her.

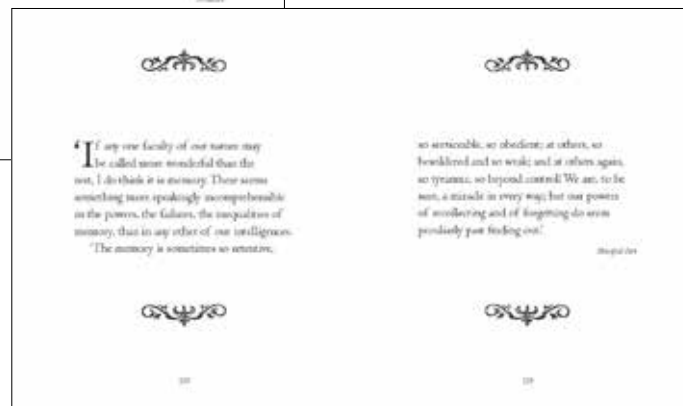

Utterly charming and very profound, fans of Jane Austen can revel in these much-loved quotes, while a new audience will be introduced to the joys that her books have provided since their publication many years ago. With each chapter focusing on a different theme—from Love & Longing to Female Strength to Art & Literature—this gorgeous gift book is the perfect compilation of Austen's funny, moving, and thought-provoking words.

Get Grounded, Get Well

Connect to the Earth to Improve Your Health, Well-Being, and Energy

Stephen Sinatra, MD, Sharon Whiteley, and Step Sinatra

Foreword by Dave Asprey, New York Times bestselling author of *Super Human*

- Follow-up to the bestselling *Earthing* coauthored by Dr. Sinatra (more than 50,000 sold)
- Dr. Sinatra was featured in the documentary *The Earthing Movie* with more than four million views on YouTube

Let the healing power of nature and Dr. Sinatra be your guide to a happier, healthier life.

Get Grounded, Get Well offers readers the secret to better health through grounding. Grounding, the simple act of connecting to the always-abundant, nourishing energy of the Earth's surface, has been scientifically and medically proven through numerous studies to have significant positive effects on our physiology. It helps to restore energy, heighten feel-good endorphins, improve circulation, calm heart rates, alleviate stress, and help ensure a better night's sleep, returning the body to a naturally balanced state of homeostasis the way nature intended. It also reduces inflammation—the culprit behind rising health problems, including heart disease, arthritis, diabetes, high blood pressure, chronic pain, and even cancer.

About the Author

Dr. Stephen Sinatra was the founder of the New England Heart Center and was widely acclaimed as one of America's top integrative cardiologists. He died in 2022. **Sharon Whiteley**, author, award-winning entrepreneur and innovator, credits grounding with changing her life after a sudden heart attack. **Step Sinatra** is the cofounder of grounded.com, created to get the word out about grounding and healthy lifestyles.

The Game of Life and How to Play It

Includes Expanded Study Guide

Florence Scovel Shinn; Edited by Chris Gentry

- One of the most influential New Thought books of the 20th century
- Features the complete text of the original edition and an expanded study guide with action items to attract the life you want

The New Thought classic upgraded for the 21st century with study questions and action items that help you use Shinn's wisdom to change your life!

Shinn begins with the following statement: "Most people consider life a battle. It's not a battle. . . . It's a game. And like most games, it can't be played successfully without understanding the rules." In a clear and accessible manner, Shinn then sets forth to explore the six key rules for the game of life, providing readers with a user's manual for making informed decisions and fully embracing a life of success and happiness. This study edition of one of the most influential self-help books of the last hundred years makes Shinn's principles relevant to 21st-century readers.

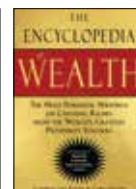

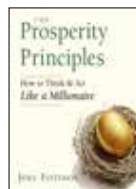

Included now are study questions, meditations, and action items that will ensure that this will become the essential edition of this classic text.

This is a hardcover, gift edition previously published in paperback as *The Complete Game of Life and How to Play It*.

About the Author

Florence Scovel Shinn (1871–1940) was an artist, author, and New Thought spiritual teacher whose books have influenced millions.

The Evil Eye

The History, Mystery, and Magic of the Quiet Curse

Antonio Pagliarulo

Foreword by Judika Illes, author of *Encyclopedia of 5,000 Spells*

- The first book for a popular audience devoted to the subject that has its roots in many spiritual traditions
- The evil eye has found a home in popular culture, featured in everything from *Vogue*, *The New York Times*, *Vice*, and *Town and Country* magazine to fashion, movies, and even celebrity weddings.

A practical, modern-day exploration of one of the oldest, most universal, and storied forms of folk magic.

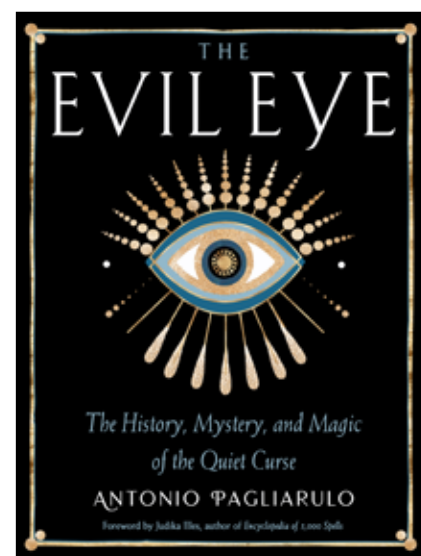

The "evil eye" is rich with cultural anecdotes and traditions, mystical lore, and modern concepts.

This fascinating and highly accessible book defines the evil eye and traces its roots into antiquity and across an extraordinary breadth of cultures and traditions. It shows readers how to diagnose the evil eye, how to cure it, and how to cast it on others. The book also explores the use of amulets and talismans bearing the evil eye, including its remarkable prevalence in popular jewelry designs, and includes the history and use of various talismans such as Hamsa, the Italian cornicello and mano figa, the azabache stone, the Kabbalah red string, mirror pendants, jumble beads, the Assyrian evil eye, and many others.

The Evil Eye takes readers on a literary journey that is informative, enlightening, and engaging.

About the Author

Antonio Pagliarulo has been published by the *Washington Post*, *New York Daily News*, *Religion News Service*, and the *Wild Hunt*. Antonio is the son of southern Italian immigrants and was raised in a home where the magical arts were commonplace. He lives in New York City.

A Walk Through the Forest of Souls

A Tarot Journey to Spiritual Awakening

Rachel Pollack, author of *Seventy-Eight Degrees of Wisdom*

- This forgotten treasure is back in print with 15% new content, new spreads, and card images.

The author of *Seventy-Eight Degrees of Wisdom* presents a magical journey that illuminates tarot's many hidden meanings, leading readers on an exploration of their own spiritual and personal path.

A Walk through the Forest of Souls is for spiritual seekers, who will find the tarot a new and beneficial tool to unlock the mysteries of the universe, as well as for lovers of divination, who seek to unlock the full meanings of the cards. It takes tarot to the next level—it's suitable for tarot masters, but because of the author's engaging, lively style, it's accessible to newcomers, too.

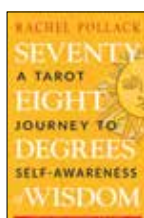

In this book, Rachel Pollack uses symbols and myths to illuminate the hidden mysteries and spiritual truths of the tarot. She takes readers on magical journeys through the tarot, through the lens of mythology, folklore, Kabbalah, Joseph Campbell-style mythography, and more.

This book was previously published in 2002 under the title *Forest of Souls*.

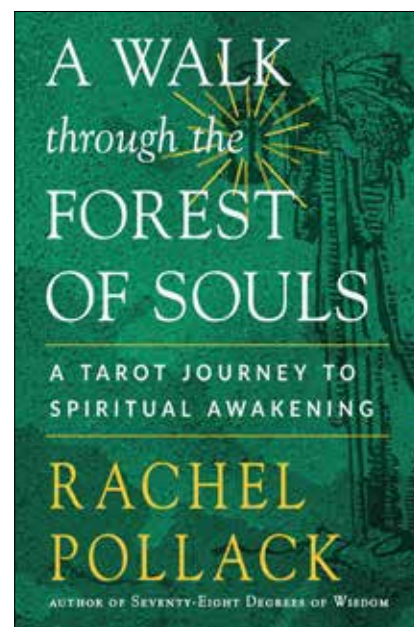

About the Author

Rachel Pollack is considered by many as one of the world's foremost authorities on tarot. She is a member of the American Tarot Association, the International Tarot Society, and the Tarot Guild of Australia, and has taught at the famed Omega Institute for the past fifteen years. She lives in Dutchess County, New York.

About the Author

Meg Jones Wall is a queer, Brooklyn-based tarot reader, writer, photographer, and the creator of 3am.tarot. A columnist for *Autostraddle* and regular contributor to *Astrology Answers*, her work has also appeared in *WIRED*, *Catapult Magazine*, *Witchology*, and more. *Finding the Fool* is her first book.

Finding the Fool

A Tarot Journey to Radical Transformation

Meg Jones Wall, founder of 3am.tarot

Foreword by Theresa Reed, The Tarot Lady

- A tarot book for everyone, regardless of gender, sexual orientation, or race
- Takes the radical approach of not including the tarot archetypes so as to help readers discover their own unique insights, free of specific imagery

A liberating tarot guide that shows readers how to trust their unique natural sense of intuition, wisdom, and magic.

"In *Finding the Fool*, Meg Jones Wall takes the reader on a totally unique path. Instead of going with the standard (and outdated) rules of the road, the reader is encouraged to find their own way of interpreting the archetypes and symbols through a personal lens. This is a wholly modern perspective, one that leaves plenty of room for fresh insights and exciting ways of engaging with the cards. Meg's masterful prose for each card takes you on an experiential adventure where you can channel the essence of the cards while seeing how they apply to your life." —from the foreword by Theresa Reed, author of *Twist Your Fate*

Finding the Fool is a tarot resource and study guide that goes beyond standardized, traditional interpretations, instead opening the door for readers of all genders, identities, and experience levels to build a unique and personal relationship with the cards. For Meg Jones Wall, the tarot path to your real, authentic self is bigger than what can be found in only one deck, one way, or one teaching. Breaking through barriers to show up as who you truly are—that is the radical journey to self-discovery and transformation.

Featuring clear, inclusive, and contemporary explorations for every card, Meg provides a roadmap for our own radical journey, giving us the tools and information needed to tap into the wisdom that already lives within us. The author provides astrological and numerological correspondences, methods of connecting with the tarot through spiritual and creative practices, and approaches for using different esoteric tools to explore the cards in new ways to help us create a personal, lasting relationship with tarot. Also included are journal prompts for personal insight and study, and suggestions for creating your own unique tarot spreads, making this a powerful companion for readers of all levels.

"This is the book I wish I had at the start of my tarot journey. With *Finding the Fool*, Meg Jones Wall has given us a true guide to the tarot. Drawing from her intimate familiarity with tarot, astrology, and numerology, Wall has managed to demystify the meanings of the cards while also respecting tarot's spiritual malleability. Knowledgeable without being dogmatic, she allows readers to form their own opinions and encourages them to make tarot their own and to integrate it into their lives in ways that work for them. Wall's gifts as both writer and teacher shine here in *Finding the Fool*—a much-needed addition to tarot literature." —**Brittany Muller**, author of *The Contemplative Tarot*

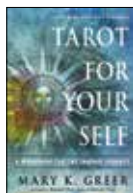

"*Finding the Fool* is a beautiful book that drops you right into your tarot cards to experience them for yourself. Wall goes on to accessibly break down the astrology, numerology, and tarot theory for each card. She creates a warm, welcoming, info-packed resource for tarot learners at all levels. I absolutely loved this exploration, and this is one of my favorite tarot books I've read, maybe ever. Everyone reading or teaching tarot professionally needs this book." —**Cassandra Snow**, author of *Queering the Tarot*

"A fresh voice, Meg Jones Wall has written seventy-eight meditative essays that inspire personal transformation. Drawing upon astrology and numerology, *Finding the Fool* is part postmodern primer on tarot and part spiritual philosophy." —**Benebell Wen**, author of *Holistic Tarot*

African American Magick

A Modern Grimoire for the Natural Home

Four Seasons of Hoodoo, Recipes, Herbs and Rituals

Stephanie Rose Bird, author of *Sticks, Stones, Roots, and Bones*

- Deeply informed author who is widely respected in her field

Here is an herbal guide for natural living that features healing practices from various traditions such as Yoruba, Santeria, Hoodoo, Conjure, and Indigenous Practices.

The changing of the seasons can feel magical—greens changing to browns and golds, snow melting to show fresh buds. We all recognize these telltale signs, but few of us are aware of the powerful impact each season has on our spiritual lives. In *African American Magick*, Stephanie Rose Bird infuses ancient techniques, rituals, and methods from around the world into each season's inherent energies to supplement body, mind, and soul.

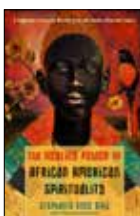

Designed to further spiritual practices by learning from neighboring cultures, this book provides readers with useful ideas unrestricted by geographic borders, ethnicity, religion, or magical path. Included are recipes and concepts from the Caribbean, African American soul food, Buddhist meditation practices, sacred Hindu rites, Old European traditions, Australian Aboriginal dreaming lessons, and Native American wisdom.

This book was previously published as *Four Seasons of Mojo* in 2006.

About the Author

Stephanie Rose Bird works as an artist, herbalist, aromatherapist, and sole proprietor of Almost Edible Natural Products. She is a former professor of fine art at the School of the Art Institute of Chicago, and as a Fulbright Senior Scholar, Bird studied the art, rituals, and ceremonies of Australian Aborigines. She lives in Chicago, IL.

The Magic in Your Genes

Your Personal Path to Ancestor Work

Bringing Together the Science of DNA with the Timeless Power of Ritual and Spellcraft

Cairielle Crow

- Both genealogy and ancestor work are of growing interest. The number of people who have taken home ancestry tests in the United States alone now exceeds 26 million.
- Provides practical rituals and spell work for putting genealogical insights into action

A unique guide that combines traditional genealogy with magical practices to deepen your relationship with ancestors.

Author Cairielle Crow utilizes science, spells, and rituals to create a very profound book of ancestor working and provides a route to becoming more in tune with your personal genealogical background.

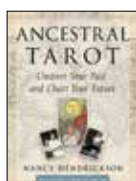

Written in a conversational style, the book offers a primer on the basics of DNA and genetic genealogy practices, so no prior knowledge is required to put the book to use. Magical tips and techniques are placed throughout to help the reader utilize both technical and magical resources as appropriate to the content in each chapter.

The Magic in Your Genes is geared to those with a known recent genealogical history (parents, grandparents) but is also appropriate for those who are adopted or who have other situations, such as a misattributed parentage event.

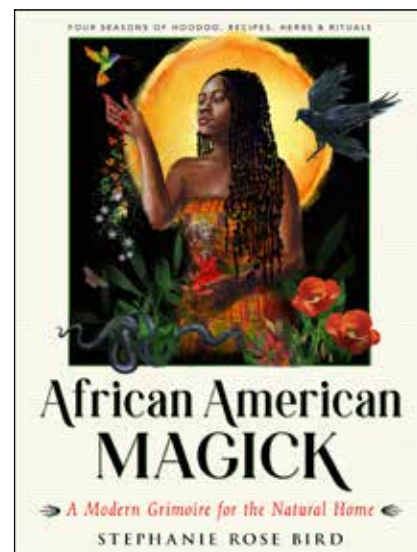

About the Author

Cairielle Crow has walked a goddess path for over thirty years, exploring, learning, and growing. She has been involved in genealogical pursuits since the late 1990s and began to actively work with genetic genealogy in 2013. She is also cofoundress of the Sanctuary of Brigid and co-editor of the anthology *Brigid's Light* (Weiser, 2022). She lives in New Orleans, LA.

The Witch's Apothecary – Seasons of the Witch

How to Make Magical Potions for the Wheel of the Year

Lorriane Anderson, co-author of the *Seasons of the Witch Oracle Series*

- Compliments Lorriane Anderson's bestselling *Seasons of the Witch* oracle series, which has sales of nearly 100,000 copies

Bestselling author Lorriane Anderson has created a practical guide for beginning and advanced witches to help them embrace daily magic and sacred living through rituals and recipes.

The Witch's Apothecary provides you with the practices needed to begin to make potions based on your desires, intentions, and energy. You will feel empowered to craft your own formulas for personal use, experiment, and work from nature to create magical blends.

The book also includes Lorriane's exact process for making her famous blends and potions. Learn about the various ingredients, practices, and exercises needed to create your own witchy apothecary.

About the Author

Lorriane Anderson is a tarot reader, astrologer, spiritual teacher, writer, and spiritual entrepreneur. She is heavily influenced by her diverse lineage, bringing together healing practices from her ancestors in a practical, updated way. Lorriane owns and operates Spirit Element, a soul-based apothecary. She lives in Los Angeles.

Heal the Witch Wound

Reclaim Your Magic and Step Into Your Power

Celeste Larsen

- While interest in witchcraft and related disciplines is increasingly popular, there is still stigma felt by modern witches; this book is the Rx for "getting out of the broom closet."

A practical guide for modern witches and healers that includes rituals, journal prompts, visualization exercises, and other tools.

The "witch wound" is a collective, intergenerational, psychic wound that has scarred marginalized people, mostly women, for centuries. The roots of this wound run deep, going back to the horrors of the historical witch hunts. Today, though not true everywhere, witchcraft is embraced as a tool for self-empowerment and healing; yet the scars of the "Burning Times" remain. Many would-be witches turn away from the craft out of fear that they will be judged, shamed, or rejected by the people around them. This is the witch wound at work.

Author Celeste Larsen guides modern witches on the path of healing the witch wound. To do so, she travels back to the Burning Times to demystify this dark era in history. She then explores the most common signs and symptoms of the witch wound as felt today, such as fear of speaking up and being seen, hiding spiritual gifts, feeling disconnected from the divine, past-life memories, and more.

The book ends by leading us into a bright and brilliant future, offering an abundance of practices (both magical and mundane) to help readers heal the witch wound and reclaim their power.

About the Author

Celeste Larsen is a Pagan witch, writer, ritualist, and esoteric business owner. She authors the blog *Mage By Moonlight* where she writes about a range of esoteric topics, including folk magic, Norse Paganism, polytheism, animism, ancestor veneration, ritual practice, magical self-healing, and more. Originally from Texas, she currently resides in beautiful County Cork, Ireland.

Spirit Voices

The Mysteries and Magic of North Asian Shamanism

David Shi

- Authentic shamanism written by someone who is at home in both North Asia and the West and can serve as a bridge between them

A guide to authentic North Asian Shamanism, past and present.

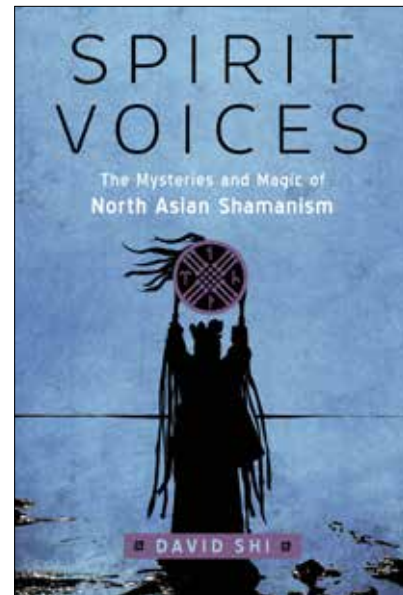

The word "shamanism" is frequently bandied about but rarely used accurately. What is it? Where is it from? How does one become a shaman?

Author David Shi, for whom these are family traditions, explores the history and practice of shamanism. He guides readers through unfamiliar territory—the landscape of North Asia—and through what are largely hidden traditions. He takes an in-depth look at three main cultural shamanic traditions: Turkic, Mongolic, and Tungus.

Spirit Voices features history, first-hand experiential reports, mythology, and folklore to explore the spirits, spirituality, and practices of true shamanism. In addition to the history and analysis of North Asian shamanism, Shi also provides practical information for those readers seeking to implement practices that are appropriate to non-initiates and outsiders of the culture.

About the Author

David Shi is a spiritual worker and folk magic practitioner who engages in traditional North Asian forms of shamanism. He is primarily of Manchurian descent, but also has Mongolian and Korean ancestry, as well as trace amounts of Tungus Siberian and ancient Central Asian Turkic heritage. He lives in New York, NY.

Meister Eckhart's Book of Darkness and Light

Meditations on the Path of the Wayless Way

Jon M. Sweeney, Mark S. Burrows, and Meister Eckhart

- A fresh and vibrant rendering of Meister Eckhart's writings on the spiritual path

"Within each of us is a divine treasure, and if we hope to discover it, we need to go deep into the heart of who we are." —Meister Eckhart

Meister Eckhart, a Christian mystic from the century of Rumi and Francis of Assisi, has had a huge impact on spirituality for more than eight hundred years, including for such writers and sages as Eckhart Tolle, Richard Rohr, D. T. Suzuki, Rudolf Steiner, and Matthew Fox—all crediting Eckhart as being an important influence on their thinking.

The vibrant renderings of his writings, in poetic form in this new collection, bring to life one of the great spiritual voices of any age. Meister's words reveal what it means to love God and find meaning in darkness. Not darkness in general but your darkness, because without facing your darkness, you'll never know what it means to desire the light. Only when you are in the darkness, Meister says, do you have even the possibility of seeing the light.

"Learn not to love in order that you may learn to love."

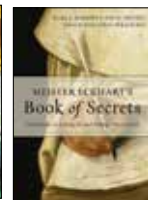

About the Authors

Meister Eckhart (1260–1328) was a priest, a mystic, and nearly a heretic (he died before the Church court's verdict). **Jon M. Sweeney** is an independent scholar, critic, and writer. He lives in Milwaukee, WI. **Mark S. Burrows** is a poet, translator, and professor of religion and literature at the Protestant University of Applied Sciences in Bochum, Germany.

Normandi Ellis

- A beautiful and engaging rendering of the Egyptian Book of the Dead

"Awakening Osiris is not only a translation and a book of Egyptian religion, but also a spiritual work that will serve many Pagans as a prayer book of sorts, a book of meditations, something not to be read and left on the shelf, but to return to repeatedly." —Judika Illes, author of Encyclopaedia of Spirits

Normandi Ellis approaches the Book of the Dead as a profound spiritual text capable of speaking to us today returning the heart and soul to the work. The writings suggest that the divine realm and the human realm are not altogether separate—they remind us that the natural world, and the substance of our lives, is fashioned from the stuff of the gods. Devoted like an Egyptian scribe to the principle of "effective utterance," Ellis has produced a prose translation that reads like pure, diaphanous verse perfect for the layperson, practitioner, or scholar.

Awakening Osiris is filled with meditations and prayers that help you connect with the Egyptians gods and discover deeper meaning to life and death through the stories of Isis, Osiris, Ra, and Hathor, on a journey to the underworld and back.

This new edition contains a new introduction and study guide.

About the Author

Normandi Ellis is an award-winning writer, workshop facilitator, and archpriestess of the Fellowship of Isis. She is the author and coauthor of several books and leads tours to Egypt. She lives in Chesterfield, Indiana.

Uncharted

A Rediscovered History of Voyages to the Americas Before Columbus

Tim Wallace-Murphy and James Martin

- Covers a wide range of groups who visited the Americas in the distant past
- A deep discussion of Knights Templar connections to the New World

An exploration of the history, mythology, and evidence of those who traveled to pre-Columbian America.

Uncharted covers a range of cultures who seemingly have been visiting the Americas since long before Columbus. In compelling detail, the book presents stories of visiting distant lands that abound from many cultures, such as the Egyptian, Greeks, Celts, and Vikings, as well as various people from Asia—one large Chinese group likely settled in the Americas in 100 BC, which current DNA evidence supports. Evidence is explored of potential Roman and Phoenician shipwrecks off the coast of South America and the Celtic and Norse exploration of Northern America. Put simply, the history of the discovery of the North America is all wrong.

How did the Knights Templar influence the discovery of the new world? What do the Sinclair family, Rosslyn chapel, and two venetian brothers have to do with the discovery of a new continent? How did the Vikings navigate their way? With source materials dating back through millennia, including very recent finds, this book will induce you to think about a side of history still readily dismissed by some.

About the Authors

Tim Wallace-Murphy (1930–2019) wrote more than a dozen books, including *Rex Deus* and *Rosslyn: Guardian of the Secrets of the Holy Grail*, which provided invaluable source material to Dan Brown for his bestselling novel, *The Da Vinci Code*. **James Martin** is a British historian, economist, and lecturer with experience in the field of paranormal investigation. James has been a member of and investigator for the Worsley Paranormal Group since its founding in 2003.

Templars in America

The Secret Legacy of Voyages to America Before Columbus

Tim Wallace-Murphy and Marilyn Hopkins

Foreword by Scott G. Wolter, host of Travel Channel's *America Unearthed*

- This new edition includes a new foreword by Scott Wolter, a forensic geologist and former host of Travel Channel's *America Unearthed*

Using archival and archaeological sources, two historians reveal the hidden history of the Knights Templar—their travels to America in pre-Columbian times and their influence on the Founding Fathers.

Templars in America reveals the story of two leading European Templar families who combined forces to create a new commonwealth in America nearly a century before the voyages of Christopher Columbus. Henry St. Clair of the Orkney Islands, then part of Normandy, and Carlo Zeno, a Venetian trader, made peaceful and mutually beneficial contact with the Mi'kmaq people of what is now Canada. Proof of their travels is carved in stone on both sides of the Atlantic and can be found in documentary evidence borne out by a strong oral tradition that has withstood the test of time.

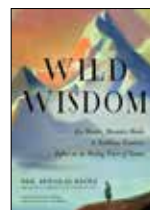

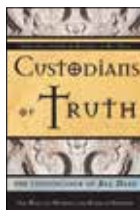

Historians Tim Wallace-Murphy and Marilyn Hopkins draw on archival and archaeological evidence to prove the Templar voyage. They then demonstrate how this early contact with the Americas ties into the centuries-long development of the Templars and Freemasonry, which in turn shaped the thinking of the Founding Fathers—and the American Constitution.

This new edition features a foreword by Scott F. Wolter, host of *America Unearthed*.

About the Authors

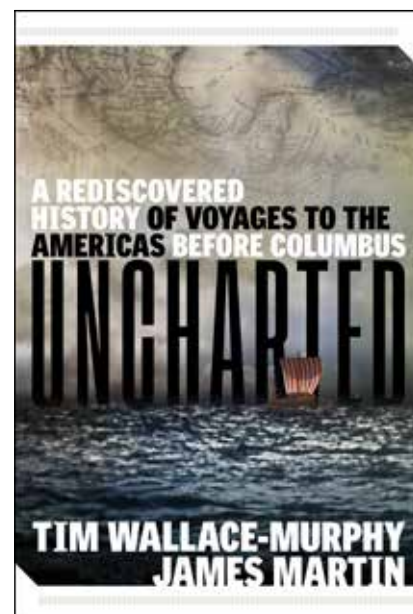

Tim Wallace-Murphy (1930–2019) wrote more than a dozen books on medieval history and secret societies. **Marilyn Hopkins** has spent years studying various forms of Christianity and esoteric spirituality and is the coauthor of *Custodians of Truth*.

Enoch and the Return of the Gods

Erich von Däniken, bestselling author of *Chariots of the Gods*

- For fans of the Ancient Aliens series and followers of ancient mysteries

The bestselling author of *Chariots of the Gods*, Erich von Däniken examines the greatest traditions of mankind, dating back thousands of years, for signs, traces, or messages that point to early contact with extraterrestrial intelligences. The gods were here. But when will they return? Or have they ever really left?

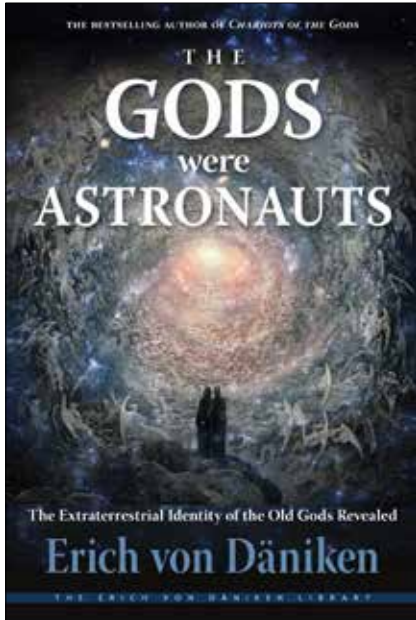

The culmination of long-term research, *Enoch and the Return of the Gods* argues that we are very much in the minds and eyes of other cosmic life forms and that, as a result, many of the dramatic historical events and remarkable teachings of religious texts should be reinterpreted. Erich von Däniken examines religious texts, ancient Jewish sagas and legends, reports from early historians, and Indian, Babylonian, and Persian traditions.

As always, von Däniken finds support for such questions as: Did Adam and Eve witness a UFO? Who was Enoch, and did he speak the language of extraterrestrials? What will Judgement Day truly be? Why did extraterrestrials tinker with humanity's DNA?

This book was first published in 1998 under the title *The Return of the Gods*. This new edition features a new introduction by the author.

About the Author

Erich von Däniken is among the most widely read nonfiction authors in the world. He published his first (and best-known) book, *Chariots of the Gods*, in 1968. The worldwide bestseller was followed by forty more books, including recently *The Gods Never Left Us*, *Confessions of an Egyptologist*, and *Eyewitness to the Gods*. Von Däniken lives in Switzerland but is an ever-present figure on the international lecture circuit.

The Gods Were Astronauts

The Extraterrestrial Identity of the Old Gods Revealed

Erich von Däniken, bestselling author of *Chariots of the Gods*

- From the father of the Ancient Alien Theory with more than 65 million books sold
- Start of the Erich von Däniken Library, a new series of his classic titles

Bestselling author Erich von Däniken tackles the evidence of ancient visitors being treated as gods through religious scripture, mythology, and physical evidence from around the world.

Why do nearly all the world's major religions share such similar myths and legends? Whether it's the Old Testament, ancient legends, or the creation myths of New Zealand's natives—you come across similar stories everywhere. Erich von Däniken, author of the international bestseller *Chariots of the Gods*, believes he knows—and the answer is as wondrous and awe-inspiring as it is controversial: the winged angels populating the Bible, Koran, and other religious texts from cultures the world over were in reality extraterrestrials who visited the Earth in ages long past.

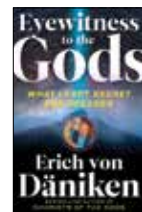

Erich von Däniken provides convincing, and surprising, interpretations and answers that fundamentally contradict both the teachings of religion and current science. His astonishing conclusion is that "the gods" of the past were not metaphysical beings but extraterrestrial intelligences that have left their traces all over the earth.

This new edition includes a new introduction.

The UFO Experience

Evidence Behind Close Encounters, Project Blue Book, and the Search for Answers

The book that defined the "Close Encounter Scale" for UFO cases

J. Allen Hynek, former scientific advisor for Project Blue Book

Foreword by Paul Hynek

- J. Allen Hynek was a leading astronomer and Blue Book UFO investigator for the Air Force

Cited by the *New York Review of Books* as "the best brief for visitation," this classic study presents an analysis of UFO reports and concludes that many sightings cannot be easily dismissed.

The case against UFOs and UAPs has not been put to rest. Although UFOs "officially" did not exist for decades according to the government, reports of sightings continue to be made, and the latest releases from the government and related hearings have surprised the world.

Dr. J. Allen Hynek—a scientist himself, the only government-paid ufologist in history, and the original "man in black"—looks at the decisions made by officialdom in the early days of ufology and how these have held us back—to the point that we are still naively talking about UFOs as we were talking about them in the 1950s. Has seventy years of research made no difference at all in our understanding?

This new edition includes a foreword by Paul Hynek.

About the Authors

J. Allen Hynek (1910–1986) was an astronomer and professor of astronomy at Ohio State University and later became chairman of the astronomy department at Northwestern University in Chicago. **Paul Hynek** is the son of J. Allen Hynek and was consultant on History Channel's series *Project Blue Book*.

Third Eye Spies

Learn Remote Viewing from the Masters

Russell Targ, PhD, author of *Limitless Mind* and cofounder of the Stanford Research Institute's Stargate Program

Introduction by Paul H. Smith

- A history of remote viewing's best cases with supporting evidence on the participant's abilities

Explore the evidence of psychic powers and learn for yourself the skills of remote viewing from the masters.

Russell Targ has been successfully teaching people how to get in touch with their psychic abilities for more than fifty years. This began in 1972 when he cofounded the CIA-sponsored ESP research program at Stanford Research Institute. The program described a secret Russian weapons factory in Siberia, identified the ring-leader of the Patty Hearst kidnapping, and located several kidnapped US officials, including the ambassador to Iran.

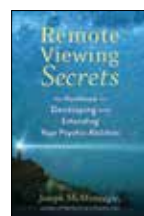

Third Eye Spies will introduce the most successful and gifted remote viewers in the world, some of whom had never done anything like this before, along with the evidence of their psychic abilities. Remote viewing is the opportunity to describe and experience objects and events in the distance, past, and future.

With *Third Eye Spies*, you will be able to step beyond the boundaries of your physical body and learn to live with psychic abilities.

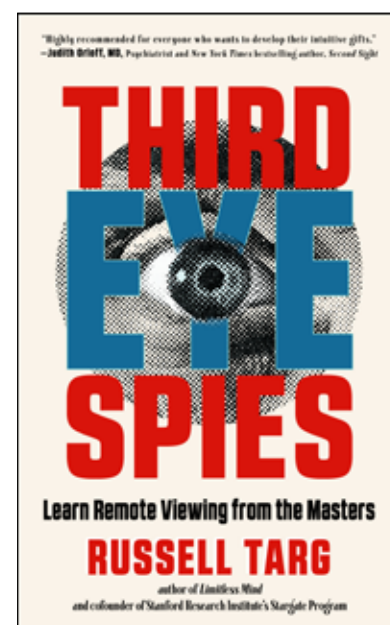

About the Author

Russell Targ is a physicist and author and was a pioneer in the development of the laser and laser applications. Targ cofounded and worked for the CIA-sponsored Stanford Research Institute's investigation into psychic abilities. He is author or coauthor of eight books dealing with the scientific investigation of psychic abilities, including *Limitless Mind* and his autobiography *Do You See What I See?* He lives in Palo Alto, CA.

The No Self, No Problem Workbook

Exercises and Practices from Neuropsychology and Buddhism to Help You Lose Your Mind

Chris Niebauer, Ph.D.

- A follow-up to the bestselling book *No Self, No Problem: How Neuropsychology Is Catching Up to Buddhism*

In his bestselling book, *No Self, No Problem*, Dr. Chris Niebauer explored the incredible link between Eastern philosophy and the latest findings in psychology and neuroscience, and made the case that the latest research in neuropsychology is now confirming a fundamental tenet of Buddhism: what is called Anatta, or the doctrine of "no self." We are just beginning to understand these parallels and what they mean for the human experience.

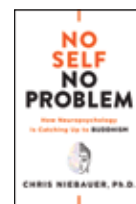

Now, in this practical and powerful guide, Niebauer takes a deeper dive and offers powerful tools, exercises, and practices you can do right now that will help you begin to experience the state of "no self," and its benefits, on your own. This companion workbook is a wonderful beginner's guide that will help you tap into a true sense of mindfulness and inner peace, understand human consciousness, and alleviate the daily suffering caused by the way we identify with the false self.

If you want to take your consciousness journey even further, this is the book that will set you on the right path.

About the Author

Chris Niebauer is a professor at Slippery Rock University in Pennsylvania, where he teaches courses on consciousness, mindfulness, left- and right-brain differences, and artificial intelligence. He lives in Butler, PA.

Lord Knows This Sh*t Ain't Easy

How to Stay Emotionally Balanced in a Chaotic World

Adelfa Marr

- Learn how to achieve inner peace and harmony, despite what may be happening around you
- Calm yourself in the midst of chaos using Adelfa's unique mindfulness practices

Worldwide pandemics, global warming, supply shortages . . . over the last few years it seems as if everything is falling apart, and that's just on the outside! On the inside, many of us are struggling with feelings of unworthiness, fears of failure, and trying to be the perfect partner, or parent, or friend! Seen in this light, it's no wonder that so many of us are feeling overwhelmed!

This begs the question: Given everything that's going on in the world, is it even possible to be emotionally balanced and live a happy and fulfilling life? According to life coach Adelfa Marr, the answer is a resounding yes! In her new book, she teaches you how to find and keep emotional balance despite what life throws your way. Using her own proven tools and the techniques that she has taught to hundreds of clients, you, too, can experience more self-love, forgiveness (for yourself and others), and personal fulfillment. Are you ready to inject calm into chaos and live a balanced and rewarding life? Read this book to learn how.

About the Author

Adelfa Marr is a wellness and mental health advocate and a life coach. Her coaching practice focuses on providing a safe, no-disclaimer space where clients can become their truest selves as she guides them on their healing journey with compassionate support. She lives in Atlanta with her husband, actor Manny Montana, and their son.

The Treadwell's Book of Plant Magic

Christina Oakley Harrington

- A learned and yet accessible reference guide drawing on a whole host of traditional sources
- The renowned Treadwell's Books is an iconic London landmark specializing in occult and esoteric literature and learning

A handy guide to the traditional use of herbs and plants in magic and spell work.

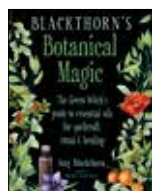

Plant magic is a perennially popular subject, but in most books on the topic, readers must wade through eye remedies and cold cures to get to the actual magical powers attributed to the plants. In *Treadwell's Book of Plant Magic*, author Christina Oakley Harrington—founder of the renowned occult Treadwell's Books in London—focuses the lore and learning of the of plant magic.

She has sifted through hundreds of traditional sources to create a rare compendium of the "old ways" in which plants have been used to achieve love, win competitions, become invisible, see fairies, gain good luck, achieve success, receive protection, and more. The book also offers practical updates to the old uses, which the modern reader will find easy to carry out. The "Problems and Needs" section suggests the appropriate plant or plants for almost any circumstance one could face in life.

About the Author

Christina Oakley Harrington is the founder of Treadwell's Books in London. A former academic historian, she now manages the shop's lecture series and special projects. Her interest in folk magic dates back to her childhood.

Liber Kaos (Revised and Expanded Edition)

Chaos Magic for the Pandaemonaeon

Peter J. Carroll, author of *Liber Null and Psychonaut*

- Extensively revised and updated edition
- For magicians and occultists of all sorts

An advanced course in the practice of chaos magic written by one of its most respected practitioners.

Liber Kaos offers a clear understanding of the practice of chaos magick. Carroll's approach combines methods from shamanism, paganism, and chaos science.

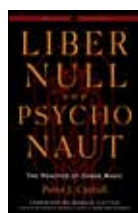

This book includes a selection of extremely powerful rituals and exercises for committed occultists and has instructions that lead the reader through new concepts and practices. A complete, advanced magical training course for the individual or for groups is explained, with details of the author's magical order, an outline for setting up a temple, and instructions for carrying out the essential rituals of chaos magick. Includes a fresh look at aeonics, cosmogenesis, auric magic, and shadow time, as well as disclosing the technical aspects of spells and equations.

Originally published by Weiser Books in 1992, this new edition is substantially revised and updated and includes new, previously unpublished material.

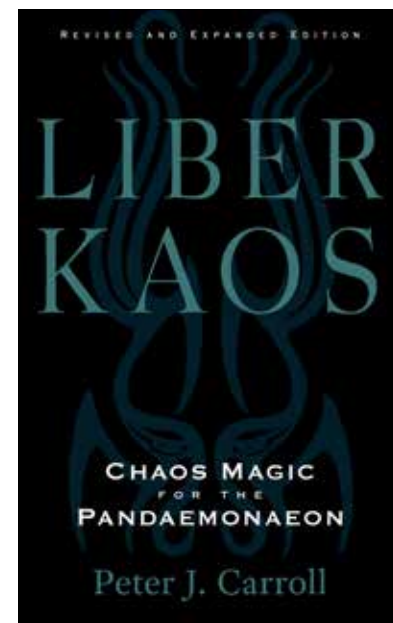

About the Author

Peter J. Carroll is the author of six books, including *Liber Null & Psychonaut* and *Liber Kaos*. He is past Grandmaster of the Magical Pact of the Illuminates of Thanateros, Chancellor of Arcanorium College, Acting Marshall of the Knights of Chaos, and a Bard of Dobunni Grove. Find him at specularium.org.

Protection and Reversal Magick (Revised and Updated Edition)

A Witch's Defense Manual

Jason Miller

- Since its original publication in 2006, this title has become a modern classic in the occult field.
- New material includes a new introduction and substantial author notes to update this edition.

"This book is not only one of my favorite books on 'defense against the dark arts,' but is actually one of my favorite books in my whole library. Throughout the book, Jason provides [information] not only on protection but also on recognizing the symptoms of attack and creating early warning systems to alert you of magickal attacks." —Mat Auryn, author of *Psychic Witch*

Everyone, whether they practice witchcraft or not, is susceptible to unwanted spells and curses. The difference is that witches and magicians can do something about it. Now you can, too. *Protection & Reversal Magick* is a complete how-to guide to preventing, defending, and reversing magical attacks of any kind. Here, renowned scholar and magick practitioner Jason Miller shows readers how to:

- › Perform banishings and make amulets that will prevent most attacks
- › Make magical "decoys" to absorb attacks against themselves
- › Summon guardian spirits or gods for help

Originally published in 2005, this new edition features a new introduction by the author and updates to the chapters.

Real Sorcery

Strategies for Powerful Magick

Jason Miller, bestselling author of *Protection and Reversal Magick*

- Practical advice and strategies for those who wish to find success in working magick

"If you're interested in assuring that you obtain real tangible results with your spells and are willing to put the work into doing so, this is definitely the book for you." —Mat Auryn, author of *Psychic Witch*

This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that affects only inner change. While magick can and should be both of these, it is something more. *Real Sorcery* is about success in practical magick; it is a book that aims at change in both the outer and inner worlds.

The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery.

This book was previously published as *The Sorcerer's Secrets* in 2009. This edition features a new introduction from the author, one new chapter, and updates throughout.

About the Author

Jason Miller has devoted twenty-five years to studying practical magic in its many forms. He is the author of the now classic *Protection and Reversal Magick* as well as *The Elements of Spellcrafting*; *Sex, Sorcery, and Spirit*; *Financial Sorcery*; and most recently, *Consorting with Spirits*. He lives in Kingston, VT

The Complete Enochian Dictionary

A Dictionary of the Angelic Language as Revealed to Dr. John Dee and Edward Kelley

Donald C. Laycock, Edward Kelley, and Dr. John Dee

- A highly regarded work in the occult studies community

An essential reference on Enochian language ("the language of the angels") as revealed to Dr. John Dee and Edward Kelley in the 16th century, with a new preface by Stephen Skinner.

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record communications as they were transmitted in Enochian, the language of the angels. Dr. Dee's efforts furthered the development of the Enochian system of magic, and his methods of invocation have been taken up and expounded upon by many magicians since.

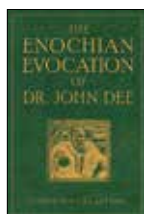

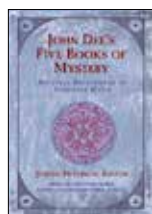

In this volume, Donald C. Laycock recounts the history of their experiments and provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition.

This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers.

About the Contributors

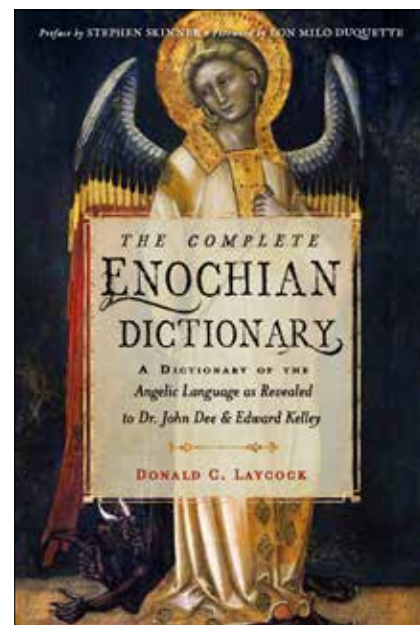

Donald Laycock (d. 1988) was a doctor of linguistics at the University of Canberra, Australia. **Stephen Skinner** is a highly regarded occult scholar and author of several acclaimed books on Western magic. **Lon Milo DuQuette** lectures worldwide on such topics as magick, tarot, and the Western Mystery Traditions.

Tarot: Mirror of the Soul

A Handbook for the Thoth Tarot

Weiser Classics

Gerd Zeigler

- For new and long-time fans of the Thoth Tarot and tarot enthusiasts in general

An accessible guide to one of the most popular Tarot decks

A classic companion to one of the most popular tarot decks, showing how the tarot symbology mirrors the inner reality of our personal and spiritual path. The seventy-eight cards of the Thoth Tarot were painted by Lady Frieda Harris according to instructions from famed occult scholar Aleister Crowley. The result is a magnificent art deco work rich in Egyptian symbolism, alchemy, and magic and contains kabalistic and astrological attributions. It has become one of the most popular and influential tarot decks ever created.

Tarot: Mirror of the Soul provides an accessible guide to the Crowley/Harris Thoth Tarot. It explores different ways of working Thoth Tarot, guiding your inner exploration, sometimes pointing the way to handle daily situations or difficult decision-making. The author, Gerd Ziegler, has studied and practiced humanistic and spiritual therapy in-depth.

Tarot: Mirror of the Soul was originally published in 1988. This Weiser Classics edition features new, high-quality photographic reproductions of the original card artwork.

About the Author

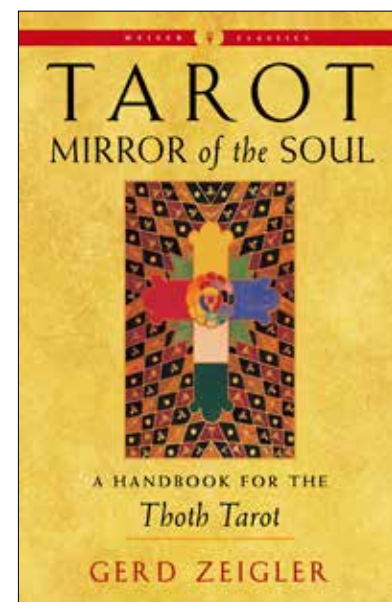

Gerd Ziegler is a therapist specializing in humanistic and spiritual therapy. He studied psychology, political science, theater, and religious studies at Freie Universität (Berlin) and also studied at the Boyeson Institute in London.

Understanding Modern Spirituality

An Exploration of Your Soul and Higher Truths

Inna Segal

- Perfect introduction to beginners seeking answers through spirituality
- Beautiful two-color internals supported by line illustrations throughout

It is only when we are courageous enough to ask some big questions and are not afraid to put in the effort to grow that our life truly unfolds.

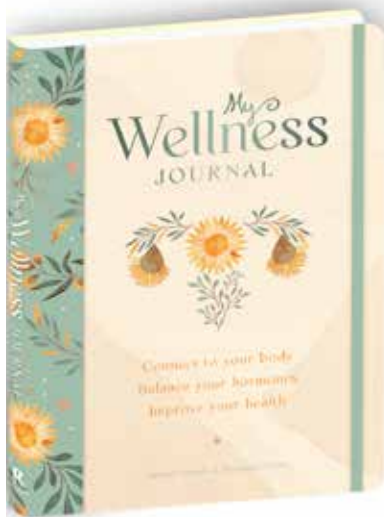

Understanding Modern Spirituality explores many themes of life, death, soul, and spirit and examines the numerous old, outdated, ambiguous teachings that have dominated the new age industry.

Inna is here to shake you out of any idleness and dare you to go on a fearless search toward your own inner awakening.

When we think deeply, we have an opportunity to connect the pieces of our life in a profound and inspired way.

About the Author

Inna Segal is a gifted healer and a pioneer in the field of energy medicine and human consciousness. Though based in Australia, Inna has traveled throughout the USA, Europe, the UK, and the Caribbean, teaching her practical, life-changing techniques. She is the author of several titles and oracle decks, including *Heal Yourself Reading Cards* and *The Secret Language of Your Body*.

My Wellness Journal

Connect to Your Body, Balance Your Hormones, Improve Your Health

Melissa Christie

Illustrated by Stephanie Crane

- Specifically designed for women under fifty
- Journal structured with health information throughout and areas to record your thoughts and experiences

This journal will help you better understand your hormones and exactly how your body works.

At a time when chronic illness is affecting more and more women, this journal has been created to cut down the time it takes for women to get diagnosed and to improve their chances of healing by informing them of their options.

Our bodies are built with incredible internal cycles that can be harnessed in different phases. If you are wanting to improve your skin, your weight, or your fertility or manage any health condition or symptom you can think of, this journal has charts and prompts that will aid in your healing journey. Whether you have a chronic health condition, suffer from PMS, or no obvious health issues at all, this book is for you. The knowledge supplied is inclusive of all modalities of medicine—from functional medicine to Ayurveda; this is about informing you so you can find what works for you.

About the Author and Illustrator

Melissa Christie is the women's health advocate behind PCOS Pathways and cohost of the PCOS Girls Podcast. **Stephanie Crane** is a graphic designer and henna artist with a passion for meaningful projects. Both Melissa and Stephanie live in Australia.

The Bruce Lee Code

How the Dragon Mastered Business, Confidence, and Success

Thomas Lee

- Bruce Lee is a cultural icon whose success and legacy are undeniable
- The first book to put Bruce Lee in a business context
- Author has credibility as a business writer and is working on the We Are Bruce Lee exhibit, which started in 2022 in San Francisco and has plans to tour around the US and beyond

Bruce Lee was a brand well before that became commonplace. Step into the Dragon's mind and explore how he thought about business, life, and goals.

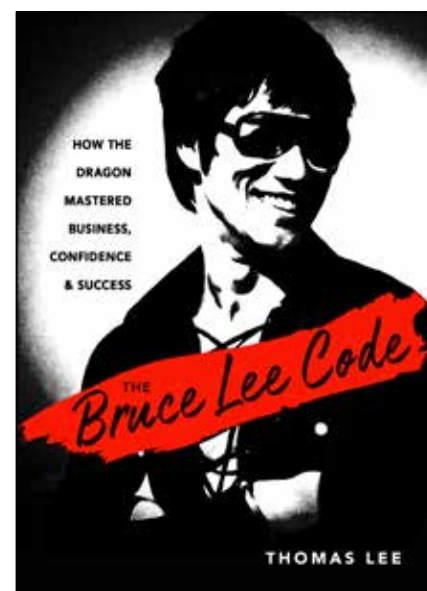

The Bruce Lee Code focuses on the business strategies prevalent in Lee's life and teachings that helped unlock his full potential. Bruce Lee's attention to brand is a major reason why he continues to influence pop culture today, and he was a pioneer, being one of the first Hollywood stars to start his own production company.

To recharge America's creative and entrepreneurial swagger, we need to reexamine Lee's life and teachings. He was primarily known for his otherworldly martial arts skills in blockbuster movies such as *Enter the Dragon* and *Fist of Fury*. But he was also a man of incredible vision, willpower, and intellectual curiosity, whose brief career inspired highly successful projects in Hollywood, sports, comic books, video games, and fashion.

This book will draw upon Lee's extensive writings, including letters, journals, and business documents, as well as interviews with his family and friends, CEOs, academics, and experts on innovation.

About the Author

Thomas Lee is a long-time business journalist who has written extensively about innovation and entrepreneurship for major daily newspapers like the *San Francisco Chronicle*, *Star Tribune* in Minneapolis, and the *St. Louis Post-Dispatch*. In 2013, he won the Gerald M. Loeb Award for Distinguished Business and Financial Journalism, the top honor for business journalists.

The Decisive Manager

Get Results, Build Morale, and Be the Boss Your People Deserve

Barbara Mitchell and Cornelia Gamlem, authors of *The Big Book of HR*

- Authors are well-respected in the human resources/management field

***The Decisive Manager* is an ideal resource for anyone, at any level, who manages people to cope with the problems that arise. It's an essential read for working out issues between coworkers, addressing problem areas, and getting everyone on track to succeed.**

People issues. They seemingly arise out of nowhere and just don't go away. Managing people correctly is critical to every manager's success and this book will make sure you do it decisively. As a manager, you need to know so many things about how to deal with people, but you don't even know what to ask! *The Decisive Manager* can help. With examples of typical situations that managers encounter and advice on how to handle them, it's an easy-to-use guide for people managers and has information on hiring to firing, and everything in between, including creating a positive employee experience, helping employees grow and develop, and the important issues surrounding remote and hybrid work.

"Practical. Relevant. Easy to grasp. I wish I had THIS book when I became a manager." —**Mack Munro**, Founder & CEO, Boss Builders

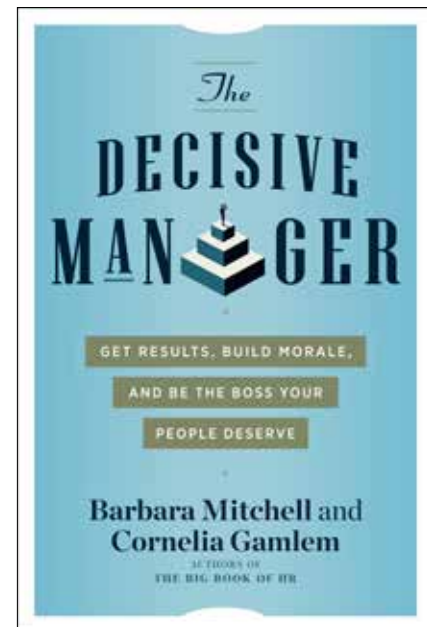

About the Authors

Barbara Mitchell and **Cornelia Gamlem** are authors, speakers, and consultants. They bring a wealth of business and human resources experience to their writing. Together, they wrote *The Big Book of HR* and *The Manager's Answer Book* among others.

Hope the Hopeful Piglet

A Picture Book Teaching Children Kindness and Compassion

Devin Staubringer

Illustrated by Emily N. B.

- Teaches children compassion about all beings in a visually engaging way
- Early level readers ages five to nine

A moving picture book about a piglet named Hope that gets rescued from a factory farm, and her journey to an animal sanctuary.

A piglet named Hope is born in a factory farm, and her mother is taken away. Distraught, Hope is transferred to somewhere new, and she hopes it will be a nice place. The truck pulls into a dark building, and Hope is put in a dirty pen with other piglets. Each day she sees more and more of her piglet friends being taken away. She is very scared and sad. But one night, a little girl comes into the dark building and takes Hope away. In the morning, they arrive at an animal sanctuary where Hope finally feels safe. There are a lot of other animal friends for Hope to play in the grass and woods with. All the humans are nice and love to feed the animals and give them hugs. Hope wishes that all animals could be loved.

About the Authors

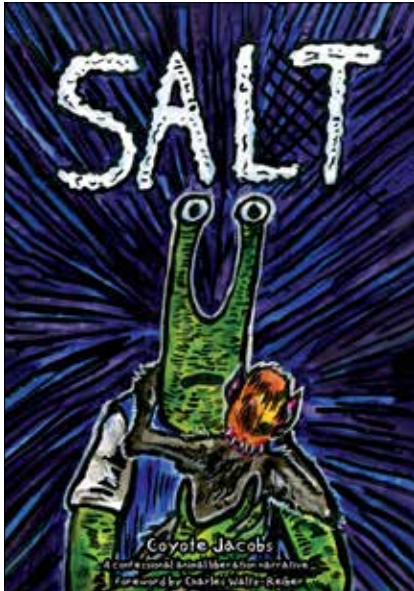

Devin Staubringer has been a vegan and animal rights activist for ten years. He is dedicated to helping animals, humans, and the planet by educating people and sharing his creative passion. Devin hopes to make the world a kinder and more compassionate place. This is his first book. He lives in Avon, OH.

SALT

A Confessional Animal Liberation Narrative

Coyote Jacobs

Foreword by Charles Waltz-Reiber

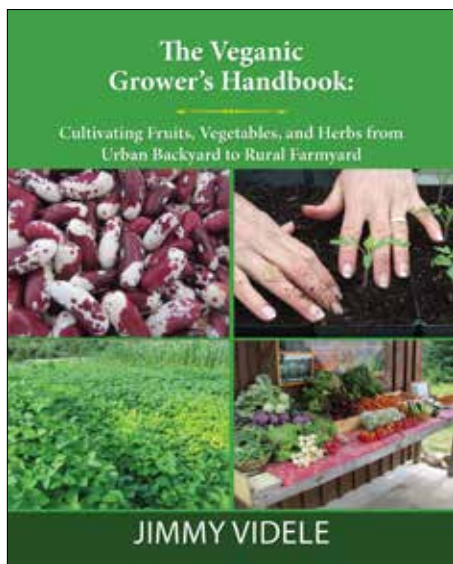

- A compelling and engaging graphic novel from a talented emerging author and artist
- Highlights the absurdity of humanity in a way that resonates with young adults and many others

SALT is a graphic novel about two uniquely dysfunctional men with one goal: to save a monkey's life.

Painted with intense color and bold inkwork, *SALT* is a graphic novel about two snail/slug men who liberate a monkey from a vivisection lab, saving her life but facing the consequences of those actions. The monkey character is based upon a real experiment in which the head of one monkey was switched onto the body of another. Her character is intended to sit with the results of such an experiment in a compassionate and intimate manner. *SALT* is also about how pursuing one's goals and enacting change is often mediated by the strength of your relationships. Although this book is, at its core, connected to animal rights, it focuses a lot on interpersonal relationships and conflicts and the type of people who are willing to commit their lives to a cause.

About the Author

Coyote Jacobs is a New York-based illustrator who loves animals in all their forms. He is heavily inspired by his time spent witnessing NYC slaughterhouses and other places of animal exploitation. These haunting experiences inform the foundation of his art. This is Coyote's first published book.

The Veganic Grower's Handbook

Cultivating Fruits, Vegetables, and Herbs from Urban Backyard to Rural Farmyard

Jimmy Videle

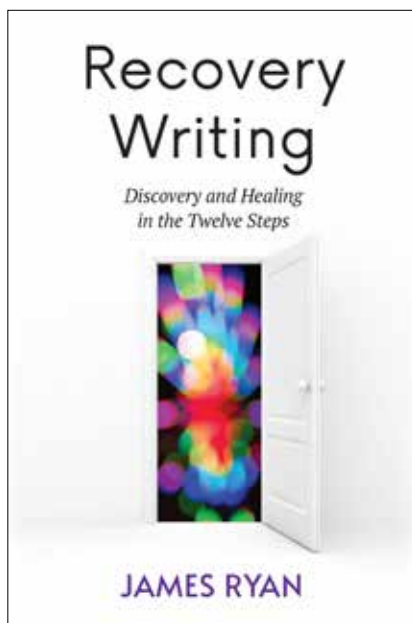

A must-have reference guide for anyone interested in compassionate gardening, health, sustainable living, and climate change

Here is a comprehensive guide that provides the tools, techniques, and insight into food cultivation from seeding to harvest, while wisely considering the totality of Earth's inhabitants.

The Veganic Grower's Handbook seeks to give the new, amateur, and professional gardening enthusiast all the tools and techniques to be successful in vegan-organic methods. Mirroring the gardening year, this manual delineates garden planning from seed-starting in the early season to garden preparation and transplanting when the weather warms. Included are over forty color photographs and reference images.

About the Author

Jimmy Videle is a farmer, activist, consultant, and researcher. He has been a consultant, researcher, and volunteer with Humane Party, USA, and the Animal Protection Party, Canada. He lives on a small-scale veganic market farm, La Ferme de l'Aube, in Boileau, Québec.

Recovery Writing

Discovery and Healing in the Twelve Steps

James Ryan

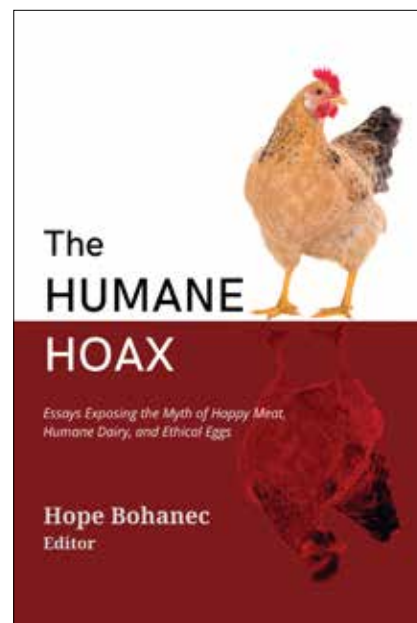

- Valuable insight into the writing processes of addicts in Twelve-Step recovery and the social understanding of healing

A moving and informative book, that includes step-by-step exercises, from an addict in recovery, who shares stories from his experience and research on the healing effects of writing in Twelve-Step fellowships.

James Ryan is an addict in recovery. He is now over twenty years sane and sober, married father of two, and a PhD graduate who researches the power of writing to heal. In this book, James tells his own story and the stories of the addicts he interviewed during the course of his research. These narratives, informed by existing research on writing's physical and psychological effects, lead to a social understanding of healing.

About the Author

James Ryan has worked as program director at a recovery retreat in New Hampshire. James holds a PhD in composition and rhetoric and did his dissertation research on the subject of writing in Twelve-Step recovery. He lives in Madison, WI.

The Humane Hoax

Essays Exposing the Myth of Happy Meat, Humane Dairy, and Ethical Eggs

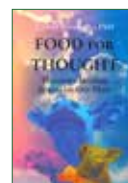

Edited by Hope Bohanec

- Eighteen essays by notable thought leaders and influencers on the deceptive and delusional practices of big agriculture/factory farming and our society as a whole

This groundbreaking volume uncovers and critiques how animal agriculture's new alternative marketing and labeling, known as the humane hoax, is represented in the media, and the negative impact it has on human and non-human communities alike.

Industry humane washing and greenwashing create reassuring language and euphemistic labels like "cage-free" and "certified humane" that tell a story of a supposed distinction from conventional animal products. In the absence of accurate information, it has never been more important to educate people on the realities behind the industry lies, and people are hungry for the truth.

Finding God Within (Rev. Ed.)

Contemplative Prayer for Prisoners

Ray Leonardini

- Demonstrates the extraordinary power of contemplative prayer and meditation

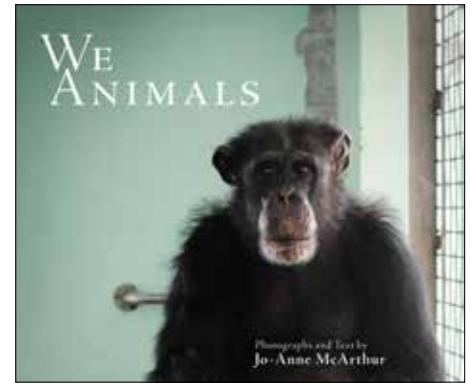

A thoughtful and moving guide on the many benefits of contemplative prayer and meditation taught and guided in a prison setting.

In *Finding God Within*, Leonardini demonstrates the extraordinary power of contemplative, or centering, prayer in transforming the lives of prisoners. Leonardini offers insightful analysis of biblical passages that show the power of prayer, faith, and surrender to ease addiction, stress, and despair. *Finding God Within* is an essential introduction to contemplative prayer for people of all faiths engaged in prison ministry and interested in exploring contemplative prayer mediation.

This new edition includes a new chapter on the Welcoming Prayer, a new foreword and afterword, and a chapter on the documentary based on this book.

About the Author

Ray Leonardini is as a volunteer chaplain at Folsom State Prison in California and the director of the Prison Contemplative Fellowship.

We Animals

Revised Edition

Photographs and Text by Jo-Anne McArthur

- An essential guidebook for all who wish to understand, examine, and learn about animal photojournalism

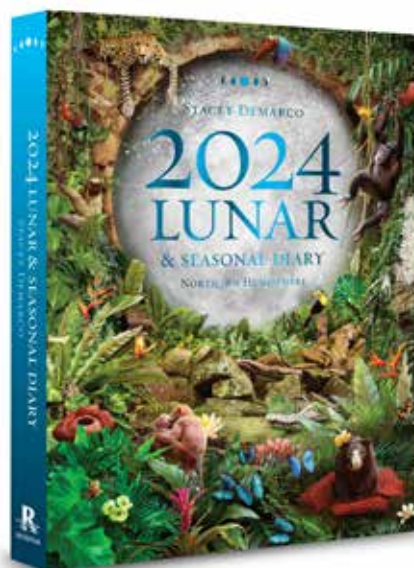

A chronicle of the lives of hidden animals and animal photojournalism, spanning many countries, over the course of fifteen years.

Celebrating ten years since its first publication, *We Animals* illustrates and investigates animals in the human environment—whether they're being used for food, fashion, entertainment, or research, or are being rescued to spend their remaining years in sanctuaries. Drawn from thousands of photos taken over fifteen years, award-winning animal photojournalist Jo-Anne McArthur offers insight about our treatment of animals, makes animal industries visible and accountable, and widens our circle of compassion to include all sentient beings.

This new edition includes new photos and new written content.

About the Author/Photographer

Jo-Anne McArthur is an award-winning photojournalist, sought-after speaker, and the founder of *We Animals* Media. She is based in Toronto, Canada, and travels many months each year to document and share the stories of animals worldwide.

About the Author

Rachelle Charman is the founder of the Academy of Crystal Awakening in Australia.

The Sirens' Song

Divining the Depths with Lenormand and Kipper Cards

Carrie Paris and Tony Savory with Tina Hardt

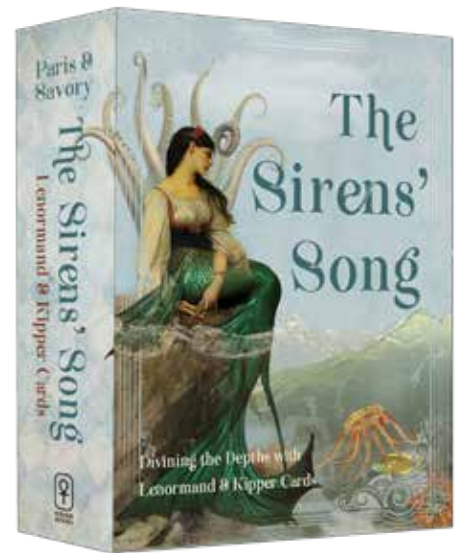

- Fantastic deep-sea art design
- Unique set of two oracle decks that can be used individually or combined

A fantastical deep-sea world awaits us in this complimentary set of two oracular decks (to be used in combination or alone).

This divination kit contains two oracles: a Kipper and a Lenormand. When used together, they provide the highest, fullest degree of possible interpretation. Unlike tarot and oracle decks, which are read intuitively, Lenormand cards are read metaphorically, and Kipper cards are read quite literally. Lenormand deals with the outer world, and Kipper deals with the interpersonal.

The most common way to read Lenormand and Kipper is to treat the card meanings as words and read them in order. There can be a certain amount of intuition in how you approach the card meanings, but they have set meanings. The Kipper deck is aimed at the everyday realities of people's lives, and it reflects both the highest and the lowest possibilities those lives can contain. It depicts people, societal roles, and personal states of being.

These beautiful decks invite us into a world inhabited by iridescent characters who lend their magic, myth (and tentacles) to every oracle reading. The result is as seductive and eternal as the legendary sirens' song.

The Rosebud Tarot

An Archetypal Dreamscape

Diana Rose Harper

Illustrated by Amanda Lee Stilwell

- The aesthetic sensibility of this tarot deck is both hip vintage and modern
- Artwork is keenly sensitive to issues of inclusivity

"I love the fresh, bold style of *The Rosebud Tarot*, the renaming of many of the Majors (High Priestess is the Witch, Empress is Lifegiver, Hierophant is the Professor, etc.), and how the court cards have been transformed into four tiers of energies (Curiosity, Velocity, Generosity, Sovereignty). *The Rosebud Tarot* is sure to appeal to the up-and-coming generation of tarot readers." —Benebell Wen, author of *The Holistic Tarot*

The Rosebud Tarot features exquisite images that offer a dreamscape of pathways into the tarot and makes way for an inclusive experience that is more resonant for today's tarot readers. Several of the cards have been renamed, including the court cards; for example, the Fool has become the Youth and the Empress becomes the Lifegiver.

The deck comes with a guidebook, written in mythopoetic style, that provides meaning, not just with keywords to memorize but also as guidance for creating your own meaningful and accurate interpretations. Also provided is a brief history of the tarot and other information and resources to support you with your tarot studies.

About the Creators

Diana Rose Harper grew up eating fairy tales for breakfast and myths for dessert. She is now a professional tarot reader, consulting astrologer, energy worker, and writer currently based in Los Angeles. **Amanda Lee Stilwell** is a queer solitary witch who practices ritual, garden, and kitchen magick. She hails from the swamps of the Gulf Coast and currently lives in Chicago.

Velouria's Tarot

An Intuitive Tool for Finding Hope

Sam Rook

- Quirky artwork with a name reminiscent of Pixie's song, "Velouria"
- Features a premium design aesthetic with bright fluorescent inks and foiling

This deck is an intuitive tool for finding hope in even the darkest of times.

This sweet deck takes a look at what we perceive femininity to be, especially in tarot, and challenges it. It's cheerful, soft artwork encourages readers to find the bright side in the worst circumstances. Feminine energy can be strong and powerful yet vulnerable and emotional, and *Velouria's Tarot* takes the traditional gender binary in tarot and encourages the reader to have a new perspective on what "feminine energy" means.

The artist created the deck during a difficult pregnancy and the global pandemic, and the artwork reflects her journey of holding on to joy and hope, even during the most difficult of times. The goal of *Velouria's Tarot* is to encourage every reader to use the tarot as a tool for self-improvement and spiritual exploration through the lens of finding the silver lining in every situation.

About the Creator

Sam Rook is an artist, designer, and illustrator located in Providence, RI. She specializes in tarot deck creation and occult-inspired artwork. She also has a diverse background in interior design, product design, and home decor. Visit her on Instagram @samrookart.

Egyptian Star Oracle

Travis McHenry

- Renowned occultist and bestselling author, Travis McHenry, has sourced all the images on these cards from ancient Egyptian artwork, including papyrus, pottery, and directly from the walls of tombs.
- The background of each card contains a snippet of Pyramid Texts that the author personally gathered from the Pyramid of Teti in Saqqara.

The Egyptian Star Oracle is the first of its kind: an oracle deck that uses only authentic Egyptian artwork, spells, translations, names, and meanings to create a divination tool that is entirely Egyptian.

This oracle is not merely an "Egyptian themed" deck, it is an authentic Egyptian Oracle, utilizing astrology as it was originally practiced in 2400 BC, with all Greek, Persian, and Hebrew influences stripped away. At the core of this deck are the thirty-six decans of Egyptian astrology. Each decan represents both a specific star and a deity. These are not the same as the thirty-six decans of modern astrology, although they are connected.

Produced with exceptional detail, the *Egyptian Star Oracle* features 42 cards printed in full color with gilded edges, an extensive 144-page guidebook, and comes with a small Eye of Horus charm—all packaged in a sarcophagus-shaped box adorned with motifs of Egyptian art.

About the Creator

Travis McHenry is a foremost occultist and creator of *Occult Tarot* and *Hieronymus Bosch Tarot*, among others. He began studying the dark arts in the late 1990s when he stumbled upon a secretive coven of witches who subsequently befriended him and allowed him to publish the first written history of their magical tradition. He lives in Las Vegas.

Seasons of the Witch—Mabon Oracle

Lorriane Anderson and Juliet Diaz

Illustrated by Tijana Lukovic

- The deck was created and written by the bestselling team that created *Seasons of the Witch—Samhain* by Lorriane Anderson and Juliet Diaz.
- Sales of the Seasons of the Witch series have exceeded 165,000 copies globally to date.

Celebrate the Autumnal equinox with *Seasons of the Witch—Mabon Oracle* and give thanks for the abundance of Mother Earth, both literally and spiritually!

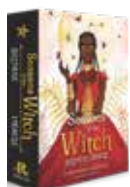

Also known as Thanksgiving, Mabon honors the Earth and is a celebration of balance, equality, and harmony. As the wheel of the year comes to an end, Mabon is a good time to set intentions, release tension, and set new personal goals.

This is a beautifully designed book and card deck set. Each of the 44 cards in this oracle deck is a seed of spiritual guidance—inspired by ancient Mabon traditions—to find answers to your most profound questions. Unlike the previous decks in the series, the cards in this deck offer intuitive messages rather than invocations. These messages give the user a glimpse of the card's inner meaning, making this oracle an excellent way for beginners to developing their own intuitive reading skills.

About the Creators

Lorriane Anderson is a tarot reader, astrologer, spiritual teacher, writer, and soul-based entrepreneur living in Los Angeles. **Juliet Diaz** is an Indigenous Taino Cubana and well-known author of such books as *Witchery*. **Tijana Lukovic** is an illustrator based in the medieval city of Ghent, Belgium.

African Gods Oracle

Magic and Spells of the Orishas

Diego de Oxóssi; Illustrated by Breno Loeser

- Explores African and Latin American shared magical traditions

Empower yourself with the guidance and spells of the Orishas.

What if you could control what the reality around you returns by controlling the energies you sent to the universe in actions, words, and thoughts? What if you could become the creator of your own happiness, changing the reality around you and achieving your dreams with the power of African gods and goddesses?

That's what you'll find in the rituals and meditations from *African Gods Oracle*: a self-transformation tool from which you can ask the Orishas about the goals and anguishes of your life and get the answers that will lead you to success. Included are 36 cards with gilded edges and a 128-page guidebook.

Shadow and Light Oracle

Reflection Cards to Unlock Your Unconscious Mind

Selena Moon

- The cards of this deck have dual meanings and reflective incentives that are showcased by "double exposure" artwork in combination with two words that relate to each other.

The *Shadow & Light Oracle* is a deck intended to stimulate self-improvement, thought patterns, and personal growth in a very practical way. This deck will assist people in everyday life by shining a light on a multitude of matters and encouraging an openness to different perspectives and self-reflection, opportunities, and paths in life. It is highly focused on self-empowerment, self-improvement, self-growth, and overcoming obstacles. Each card reflects two opposing or complementing perspectives on a matter, showing the reader different ways of looking at a problem or aspect in life.

Human Spirit Oracle

Learning to Reconnect

Jena Dellagrottaglia

- Jena Dellagrottaglia is the artist behind bestselling decks by Colette Baron-Reid, including *The Goddess Power Oracle*.

This deck is a vivacious culmination of art, soul, and insight from one human to another to elevate our collective consciousness.

In today's world, it is so easy to feel alone, even with so much going on around us. With gorgeous, insightful imagery, the cards in this deck strive to remind us that we are all connected, we are all human. *Human Spirit Oracle* provides a message of hope, unity, and harmony and is intended for all on this journey called life.

The book and card set is presented in an elegant, practical keepsake box, beautifully designed with sturdy hinged opening, 44 gilded cards, and a full-color guidebook.

About the Author

Jena Dellagrottaglia has been creating oracle and tarot decks for years. Through digital media, Jena has designed over a dozen decks and has been featured in Oprah Daily and many other design outlets. She lives in Las Vegas.

Squid Cake Marseille Tarot

Jessica Rollar

- This deck follows the traditional Marseille Tarot, and it can be read straight out of the box.

Filled with snails, cakes, fly-traps, and octopuses, this deck is a modern and colorful twist on the traditional Tarot de Marseille. The *Squid Cake Marseille* is a seventy-eight-card deck in which you'll discover knights riding creatures, quirky faces, and a delicious color palette! Bring a little lightheartedness to your readings while dishing out the cold hard truth . . . with a side of humor!

This fun, diminutive tarot set comes with a 184-page book that provides all you need to know about the Marseille Tarot. The cards themselves are printed in full color and feature pink painted edges. This deck is sure to delight.

About the Creator

Jessica Rollar is an artist, card reader, and blogger. Jess draws inspiration from daily life, street art, and character design. She lives in the Arizona White Mountains.

The Unfurling Goddess

Inspiration Cards

Embody the Divine Self Within

Akal Pritam

- The illustrations are channeled by Akal Pritam and are divided into seven sacred rays, also known as chakras or rainbow body.

The seeker's quest, the scientist's questions, and the poet's longing are surrendered as we enter the wild adventure of the unfurling path.

Who is the unfurling goddess? Is it you? Embody the divine self within to become the sacred human. The alchemy of one individual embracing their uniqueness releases unstoppable, healing waves of light into the collective—trust the great value of gentle, human kindness.

This dynamic inspiration card set features a 16-page full-color booklet, 44 cards with gilded edges, and a wooden stand to display a card for daily guidance.

About the Author

Akal Pritam is a dharma artist whose previous works include *Self Love* and *Let Go* cards. She lives in Australia.

Introducing vibrant affirmations cards created by Akal Pritam. Inspired by the elements, each set is created from one beautiful picture divided into 40 cards, and each card image also offers its own inspiration. Complete the puzzle intuitively with the images alone, or lay them out in order with numbers facing up, then turn the cards over to reveal the full picture. The images on each of the cards are symbolic and work on their own when viewed separately from the full picture. Choose cards as personally guided, either from the full picture or simply draw from a shuffled deck.

Horns of the Goddess

Dolores Cannon

This book is about the past lives of three individuals who went back to the time of the Druids and the information they obtained about how it was to live during this time and the difficulties that were experienced while trying to live with the faith of Mother Earth. It is a fascinating read and record of the techniques of famed regressive hypnotherapist Dolores Cannon.

About the Author

Dolores Cannon was a psychic researcher who recorded "lost" knowledge. She was involved with hypnosis beginning in 1968, and has worked exclusively with past-life therapy and regression since 1979. In 1986, she expanded her investigations into the UFO field and visited various suspected UFO landings sites. She is the author of several books.

Each of You

A Spiritual Journey Shifting from Darkness to Light

James Nussbaumer

James Nussbaumer's frank descriptions of prison life gave us a stunning take-to-heart message in his first four books. His inspirational book series continues the inner journey in book five, entitled *Each of You*.

James escorts us there so we may see that if we shine our light of truth onto the face of adversity—looking squarely at it and allowing it to draw closer to the light—the life challenges fade away. Light extinguishes darkness, and not the other way around. This amazing intimate revelation is challenging, uplifting, and the key to personal transformation.

Red Wheel • Weiser Books • Career Press New Page Books • Hampton Roads Publishing

65 Parker Street, Suite 7, Newburyport, MA 01950
Phone: (800) 423-7087 • Fax: (877) 337-3309 • orders@rwwbooks.com

Desk Copies

One academic desk copy is available for orders of 20 or more copies adopted for a course. All requests must be on campus letterhead or the standard AAAP/NACS request form. This info must be faxed or mailed, as no requests will be accepted over the phone. Send your request to the attention of the Customer Service department.

Examination Copies

Copies are available at 50% retail discount, prepaid. All requests must be on campus letterhead, indicating the course title and estimated enrollment. Please include payment (no cash or CODs accepted) with your request, sent to the attention of the Customer Service department.

Terms

For resellers, Net 30 days from invoice date, credit pending. Statements are mailed monthly and all shipments are FOB Dulles, VA.

Claims

Accepted only within 20 days of receipt of your order. Shortages may not be deducted from invoices without prior permission. All inquiries should be directed to customerservice@rwwbooks.com. Include all pertinent information, such as your account number and the invoice number of your problem shipment.

Returns

Returns permission is required. Please fax your return information including invoice number to (877) 337-3309 or email customerservice.rwwbooks.com

All returns must be sent to:

**Red Wheel/Weiser
Returns Department
22880 Quicksilver Drive
Dulles, VA 20166**

Overstock returns are shipped at the bookseller's expense. We are not responsible for return shipments not received at our distribution center. Books are eligible for return not before 6 months from the original invoice date and until declared out-of-print. Credit will not be granted for books declared out-of-print or for books that we no longer distribute. Please contact the Customer Service department to confirm a title's eligibility for credit.

Credit will not be given for damaged books.

We are not responsible for returning books that are ineligible for credit.

Payment Methods

Red Wheel/Weiser Books accepts MasterCard, Visa, and American Express credit cards. Checks and money orders should be payable to Red Wheel/Weiser. Postdated checks will not be accepted. Do not send cash or stamps.

Order By Mail

Please prepay your order. Total amount due includes the books ordered, plus \$6.50 shipping and handling for the first unit and \$1.00 for each additional unit. Send a check or money order or write your Visa, MasterCard, or American Express number and expiration date on the order form with your signature and phone number to the address above. Additional charges apply for air freight service.

Order By Phone

Call (800) 423-7087. Have your Visa, MasterCard, or American Express card available.

Order By Fax

Fax (877) 337-3309. Be sure to clearly list the title, ISBN, and quantity of all titles ordered, as well as your shipping information, preferred shipping method, credit card information, and a phone number where you can be reached.

Online Orders
