About the Author

Cyndi Brannen, PhD, teaches and writes from the crossroads of the deeper world and modern life. She merges her career as an applied social psychologist with meditation, ritual, and natural magic, centered on the goddess Hekate as World Soul. Her work explores the journey through darkness to wholeness using the archetypes of the witch and Hekate.

Entering Hekate's Cauldron

Spells, Spirits, Rites, and Rituals

Honoring and Invoking the Power of the Goddess of Witches

Cyndi Brannen, PhD, author of *Entering Hekate's Garden*

- The ancient goddess Hekate currently ranks among the most popular and beloved modern goddesses
- For anyone deepening their journey as a modern witch
- Author has a devoted following awaiting her new release

This book marks the completion of Brannen's Weiser trilogy of Hekate-themed books. The two previous titles have combined sales of nearly 40,000 copies.

Offering a comprehensive overview of modern Hekatean witchcraft, *Entering Hekate's Cauldron* is about practicing witchcraft, specifically witchery centered on the beloved goddess Hekate, with her etheric cauldron as the source.

Written in the style of a traditional Book of Shadows, the contents cover many of the common practices of modern witchcraft, ranging from personal development to spells and rituals. Beginning with foundational practices such as setting up an altar and connecting to a spirit guide, the book then offers instructions for understanding and honoring Hekate. Featuring a deep dive into correspondences, it includes a guide to spellcrafting and concludes with a section on the mysteries, including rituals, spirits, and the Wheel of the Year.

This book is for anyone interested in deepening their spiritual journey as a witch. *Entering Hekate's Cauldron* completes Cyndi Brannen's trilogy of Hekate-themed books, including *Entering Hekate's Garden* and *Entering Hekate's Cave*, which may be read in any order.

Praise for Cyndi Brannen's other books:

"*Entering Hekate's Garden* is a master lesson in the holistic merger of scientific knowledge and a deep honoring of the magical and sacred plant-spirit that is the basis for Green Witchcraft."
 —**STARRED review, Library Journal**

"I greatly enjoy all of Cyndi's works and books, but this is by far my favorite of hers to date. I know it will be a book that I reference often in my personal magickal practice and devotional work." —**Mat Aurny, author of *Psychic Witch***

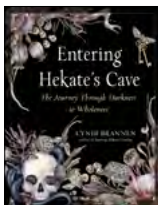

"*Entering Hekate's Cave* by Cyndi Brannen is the book on shadow work I wish I had years ago. I will be coming back to this book for years to come."
 —**Amy Blackthorn, author of *Blackthorn's Botanical Wellness***

"With a powerful but kind voice, Cyndi Brannen has given devotees of Hekate a gorgeous tool for exploring the mysteries of the Goddess to an even greater depth."
 —**Courtney Weber, author of *Hekate: Goddess of Witches***

Sun-Steeped

A Golden Hour–Infused Affirmation Deck

Shannon Christie

- A unique deck that harnesses the power of the sun
- This deck is designed to illuminate every aspect of our innermost selves
- Each card features an affirmation that guides users on their journey of personal growth and transformation

***Sun-Steeped* features fifty-four uniquely illustrated affirmation cards and a guidebook designed to be a manual for learning new lessons, finding your flow, and enjoying your empowerment by harvesting the power of the sun.**

Sun-Steeped is an affirmation deck and guidebook that shines a light on every nook and cranny of our innermost selves. It's here to capture the golden hour moments of sunrise and sunset and the feeling of freedom that comes with stepping into the daylight to photosynthesize. Much like tea needs time to bask in the warmth of water before it's ready to be enjoyed, we too must bask in the warmth of the sun to grow into our best selves.

The deck consists of fifty-four uniquely illustrated cards, each one featuring an affirmation designed to guide gentle and friendly inquiry into the user's inner world. The cards are intentionally numbered in such a way that the beginning cards explore themes of childlike wonder and new beginnings, on through affirmations that challenge perceptions generated by low self-esteem. The last cards explore newfound determination, self-realization, and loving awareness. It's the only deck that captures the transformative moments of sunrise and sunset and draws inspiration from the warmth and power of daylight.

Let *Sun-Steeped* be your guide for learning new lessons, finding your flow, and enjoying your empowerment.

The Enneagram of the Soul

A 40-Day Spiritual Companion for the 9 Types

Nhien Vuong

Foreword by Russ Hudson, bestselling coauthor of *The Wisdom of the Enneagram*

- Author is a rising star in the Enneagram world and is an ordained inter-spiritual Unity minister
- Includes devotionals, prayers, and contemplative practices related to the Enneagram

“The Enneagram of the Soul invites us on a journey of profound self-discovery.”—Russ Hudson, cofounder of the Enneagram Institute and bestselling coauthor of *The Wisdom of the Enneagram*

The Enneagram of the Soul is inspired by over two decades of inner and outer work with the Enneagram by leading expert Nhien Vuong. Nhien provides a path to wholeness for the self, enabling the reader to be steered gently yet firmly away from the trap of solely identifying with their personality type, so they can live more fully and more from their divine nature.

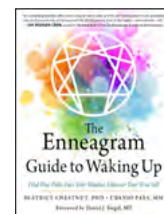

This book shares nine Enneagram-informed principles that guide one’s journey of transformation. There are then forty activations, which consist of very brief questions, reminders, or practices, on forty different themes customized for each of the nine Enneagram personality types.

*“The Enneagram of the Soul is powerfully potent medicine for self-healing. It is a loving, inspiring, thoughtful, and useful book for those interested in real inner development and having a more deliberate life.”—Catherine R. Bell, MBA, founder and author of *The Awakened Company**

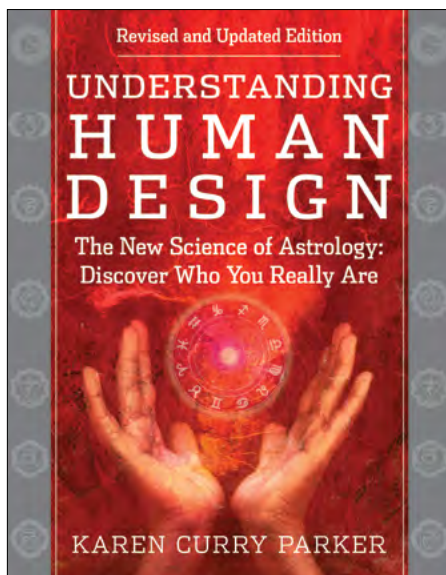

About the Author

Reverend Nhien Vuong, JD, MDiv, is an internationally accredited Enneagram professional, a certified Enneagram teacher, and the founder of Evolving Enneagram. She also holds a juris doctor from Stanford Law School and a master of divinity from Unity Institute and Seminary.

The Poisoned Arrow

A Toltec Guide to Overcoming Fear

don Miguel Ruiz Jr.

- From the bestselling author of *The Mastery of Self* and other beloved books of Toltec wisdom
- This is a timely book for a world steeped in fear and anxiety

This new book from beloved author don Miguel Ruiz Jr. teaches us to recognize the ways that fear manifests in our minds, fueling the negative stories we tell ourselves. By becoming aware of our fears, we can change these mental stories, creating a life of inner peace and happiness instead.

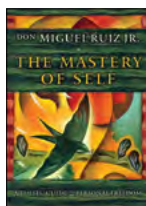

For most of us in the modern world, fear has become so normal that we don't even realize we're afraid. Instead of living in a state of internal peace, we are constantly telling ourselves elaborate stories that lead to mental anguish. According to bestselling author and Toltec teacher don Miguel Ruiz Jr., these stories have one thing in common: they have all been poisoned by the arrow of fear.

In this book, Ruiz will teach you how to cultivate awareness of your fears and the stories that are fueled by them, how to make peace with the unknown, and how to counter fear with faith and unconditional love. Whether you are a longtime student or new to Toltec teachings, his expert wisdom will guide you along the path to achieving freedom from fear.

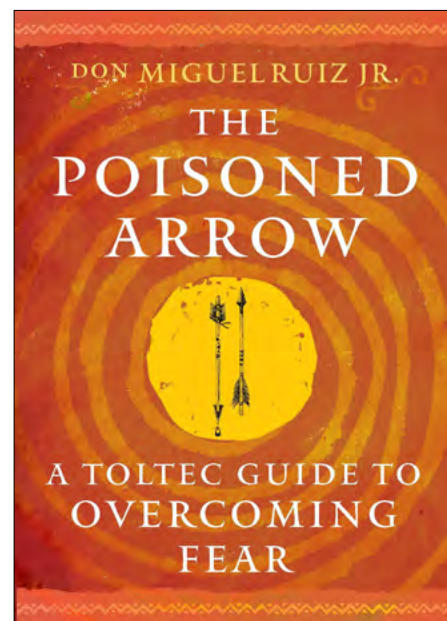

About the Author

don Miguel Ruiz Jr. is a direct descendant of the Toltecs of the Eagle Knight lineage and is the son of don Miguel Ruiz, author of *The Four Agreements*.

Witch Blood Rising

Awaken Your Magic in a Modern World

Asa West

- Offers guidance from lessons learned by a practicing witch—each chapter explores a different aspect of witchcraft, including tarot cards, deities, spellcasting, and poison herbs
- Author writes for *The Mary Sue*, which has an audience of 1.8 million unique views per month

“Beautifully written, funny, engaging, informative, helpful. Every baby witch needs this book to rise strong and bring their medicine to a world that needs all the witches it can get.”

—Amanda Yates Garcia, author of *Initiated*

Growing up in an endless sea of California suburbs, where sacred groves and wise women only existed in movies, Asa West spent her childhood chasing visions she didn't understand. When she found a guide to witchcraft in a tiny bookshop, she knew she'd found her calling—despite a patriarchal society's efforts to keep her away from a life of mysticism.

But it's not easy to awaken your witch blood in a culture that laughs at magic and often renders women powerless. Although the market abounds with practical guides to witchcraft, it's harder to find books that chronicle the art of living a witch's life. Asa West uses her almost thirty years of magical practice to bring warmth, humor, and insight to a spiritual path that's at once immeasurably ancient and continually reborn.

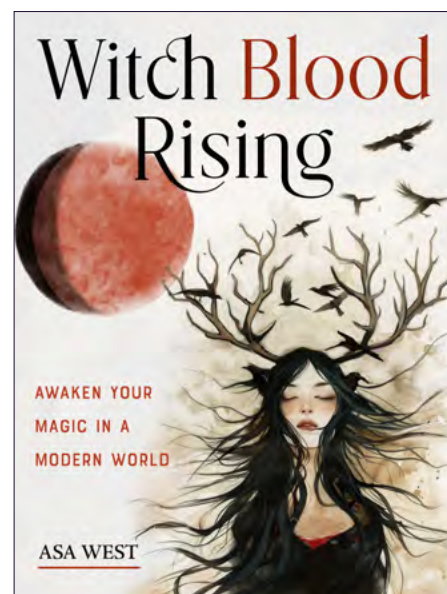

About the Author

Asa West (the pen name for Julia Glassman) is the author of *The Witch's Kin* and *Five Principles of Green Witchcraft*. As a journalist for *The Mary Sue* website and other outlets, Julia covers everything from Marvel movies to folk horror—and, of course, all things witchy.

Enchanted Plants

A Treasury of Botanical Folklore and Magic

Varla A. Ventura

- A history of plants through folk tales and fairy tales, featuring magical properties behind more than 3 dozen plants
- Profusely illustrated with full-color botanical drawings throughout

From fairy tales to your secret garden, *Enchanted Plants* is an illustrated treasure trove to the lore and magic of the kingdom of plants.

Plant lover and lover of the bizarre, Varla Ventura brings together forgotten lore with the magic and mythology of plants for the ultimate romp through a botanical wonderland. The beautifully illustrated book includes excerpts from fairy tales and a lively discussion of each plant's magical and medicinal properties.

Will you dare to pick a golden apple or seize the perfect rose? Sneak through the iron gates of the poison garden where the lascivious and life-saving plants intertwine. Gallop through meadow grass, skirt the boggy glen, and amble through woodlands where magical plants beckon from the forest floor.

Each chapter contains a cultivated selection of plants, arranged alphabetically by popular common name, with additional information including botanical name, other "common" names, folklore, ethnobotanical properties, magical and occult properties, and modern usage, if applicable.

About the Author

Varla A. Ventura has a deep fascination for folklore and medicinal plants and has been studying herbalism and botany for more than thirty years. She is also the botanical brain behind Rotten Botany, a website dedicated to unusual plants. When not writing, she can be found wandering around the Minnesota woods and tending her poison garden.

Celtic Hedge Witchery—A Modern Approach

Joey Morris

Foreword by Courtney Weber author of *The Morrigan and Hekate*

- For anyone who wishes to reconnect with the spiritual ecosystem and the sacred hedgerows
- Hedge witchery teaches us to navigate between wild nature and the village or city of modern life

***Celtic Hedge Witchery* is a revolutionary take on hedge witchery, focusing on what it means to reconnect with the sacred hedge in a modern world.**

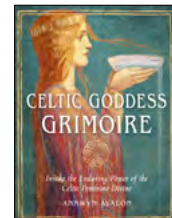

Celtic Hedge Witchery delves into the secret liminal space exemplified by traditional hedgerows and expands the reader's understanding of how to truly embody the witchcraft life. Joey Morris reaches out across the spiritual ecosystem to teach the ideas and methods of the hedgerow, even to those who cannot visit the physical locations themselves. Readers learn how to connect to their natural witchcraft, find the sacred landscape within themselves, and commune with and benefit from working with spirits. Spell work, recipes, meditative guides, and evocative poetry guide the reader in connecting with the Celtic gods of land, sea, and sky and in crossing the hedge into the Otherworld.

Weaving together Morris's personal witchcraft gnosis, *Celtic Hedge Witchery* offers a revolutionary take on what it means to be a hedge witch in the modern era and empowers the reader to "come home" to both the Earth and to ourselves.

About the Author

Joey Morris is a priestess of the Morrigan and a hedge witch who has been on the path of Celtic witchcraft for over twenty-five years. She specializes in spirit work, shadow work, and healing. For the past thirteen years, she has run the popular Starry Eyed Witch YouTube channel.

Goblinproofing One's Chicken Coop

And Other Practical Advice in Our Campaign against Fairies, Gnomes, Goblins, and Other Nasty Members of the Fairy Kingdom

Reginald Bakeley

Foreword by Clint Marsh

- Republished in hardcover format with designed end sheets and sepia-colored interior
- A humor-filled gift for the cottagecore market and for those interested in the darker side of the fae

Banish pesky goblins and reclaim your home and garden with this whimsical guide to fairy defense.

Is your hen cottage plagued by foul goblins? Help is on the way! In the tradition of Lemony Snicket and Roald Dahl, *Goblinproofing One's Chicken Coop* shows how to banish those pesky dark fairy creatures who are ready to thwart every last pleasure, be it gardening, country hikes, or even getting a good night's sleep.

In *Goblinproofing One's Chicken Coop*, readers will discover:

- › Why a bustle in one's hedgerow may be cause for alarm
- › Why a garden fumigator may come in handy during evenings at the pub
- › Why a toy merchant, a butcher, and a Freemason are among your best allies in the fight against the malicious fairies

"A must-have for everyone with a garden, dog house, window boxes, or even rustic decor."

—**Retailing Insight**

About the Author

Reginald Bakeley, an avid sportsman and defender of rural life, is best known for his longstanding editorship of *Phooka, The Journal of the Overland Mallet Club*. **Clint Marsh** uses elements of myth, magic, folklore, and humor to help readers navigate everyday life. He is the editor of *Fiddler's Green Peculiar Parish Magazine*.

Magical AI Grimoire

A Book of Shadows for Contemporary Chaos

Davezilla

Foreword by Peter J. Carroll, author of *Liber Null & Psychonaut*

- The first major work focusing on the use of AI for magical purposes
- For witches, chaos magicians, and shamans of all ages and backgrounds who have an interest in exploring the possibilities of AI in spellcasting

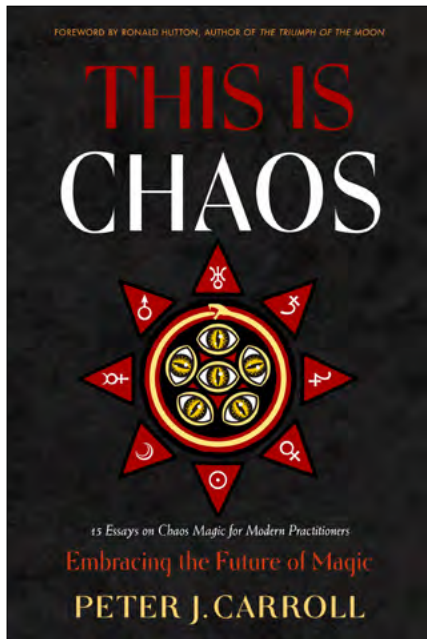

Magical workers have always used the tools at hand, and with the advent of AI technology a new frontier of magical workings has opened. Dive into promptcraft to enliven the Old Ways, to empower your spells, and even to create your own spiritual guardians.

Traditionally, we think of magic done with physical objects, but today one of the most powerful tools at a magician's fingertips is technology. This book helps you to understand how to work with technology in the practice of your magic. Whether you're trying to use promptcraft to perfect a spell, ChatGPT to outline and strengthen a ritual, or Midjourney AI to recreate what you've only seen on the astral plane, Davezilla will be your guide. He provides context and history for the evolving uses of AI and leads the reader through a new magical realm with responsibility and clarity of insight.

"Chaos magic offers a great deal of inspiration for creative freedom and innovation in magic, but it also outrages many people who liked to think of themselves as guardians of ancient traditions. This new book seems destined to do exactly the same for the next generation of magicians. *Its publication may well prove a seminal moment in the history of magic.*" —Peter Carroll

About the Author

Davezilla is a longtime member of the Detroit Pagan community, with over forty years of experience in occult/new age religions. He is also a professional full-time illustrator and splits time between digital illustration and teaching business owners how to use AI.

This Is Chaos: Embracing the Future of Magic

Edited by Peter J. Carroll

Foreword by Ronald Hutton, author of *The Triumph of the Moon*; Illustrated by Hagen von Tulien

- The first anthology focused on chaos magic featuring a wide swathe of contributors drawn from some of the most important authors and practitioners

***This Is Chaos* is the first collection of its kind showcasing where chaos magic has come from, where it is now, and most importantly, where it is going.**

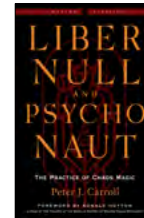

Chaos magic started under the influence of renowned artist and occultist Austin Osman Spare; it was then more codified by Peter J. Carroll and others. *This Is Chaos* delves into the history of the magical system and explores its current use and what the future holds. Chaos magic has always been about pushing new boundaries, with a focus on utilizing aspects of magic such as sigils and magical servants (thought forms) to help accomplish one's aims.

Helmed by one of the originators of chaos magic, Peter Carroll, this important anthology is filled with essays by some of the most respected chaos magic workers who are redefining magic for the modern practitioner.

About the Editor

Peter J. Carroll is the author of six books, including the classic work on chaos magic, *Liber Null & Psychonaut*. He is past grandmaster of the Magical Pact of the Illuminates of Thanateros, chancellor of Arcanorium College, and acting marshal of the Knights of Chaos.

Finding Your Walden

How to Strive Less, Simplify More, and Embrace What Matters Most

Five Principles for Modern Living from Thoreau

Jen Tota McGivney

- Old wisdom, modern insight, and practical tips that will appeal to Thoreau lovers, readers of stoicism, and all those looking for meaning in the post-pandemic world
- End-of-chapter questions help the reader reflect on and apply the principles to their life

Discover Henry David Thoreau's philosophy of living a good life and how you can, too. Let go and find what's most important.

Finding Your Walden distills Thoreau's philosophy into five principles, covering money, solitude, individuality, work, and hobbies. It explores Thoreau's principles as guideposts for today's Great Reassessment and how they can be adapted for everyone yearning to live a more meaningful life. As people reassess priorities to create values-based lifestyles in a profit-based society, Thoreau's life offers a precedent, and his philosophy provides direction.

The hero for our time is someone few people get right. Henry David Thoreau wasn't a loner in a cabin. He lived during a time much like ours, when technology changed more in a generation than the centuries before it, and like us, he reassessed his priorities: When is a job worth quitting? Do I need all this stuff? What is enough?

Finding Your Walden isn't about shunning money or success. It's about grappling with the purpose of the first and the meaning of the second. Thoreau beckons us to step out of the cabin and sets us on a path to discover fulfillment and happiness.

About the Author

Jen Tota McGivney is a magazine journalist and the back-page columnist for *Charlotte* magazine. Her work has appeared in *Southern Living*, *SUCCESS*, and *Our State*, among others. She has a master's degree in English, with a focus on American literature.

The Italian Soul

How to Savor the Full Joys of Life

La Dolce Vita

Judith Valente

- Italian American journalist Judith Valente treats us to the inner spirit of Italy
- Of particular interest for travelers to Italy and lovers of all things Italian

***The Italian Soul* is a pilgrimage of the heart, a journey toward change that will allow its readers to approach life with a more contemplative stance and recreate a sense of *la dolce vita*—the sweet life—wherever they might be.**

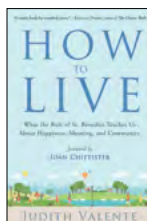

The Italian Soul offers practical guidance into how we can transport a taste of the Italian "good life" into our own homes. Additionally, it explores the contemplative practices and attitudes that seem to come naturally to a people who have made an art of living and working joyfully. It is a cross between a travel dispatch and a spirituality guide for seekers who eschew traditional religious practices but are yearning for ways to bring more balance, sanity, and a greater sense of the transcendent into their daily lives.

The Italian Soul is a book for lovers of Italy, those considering visiting Italy for the first time, and anyone who is interested in learning more about the art of living joyfully.

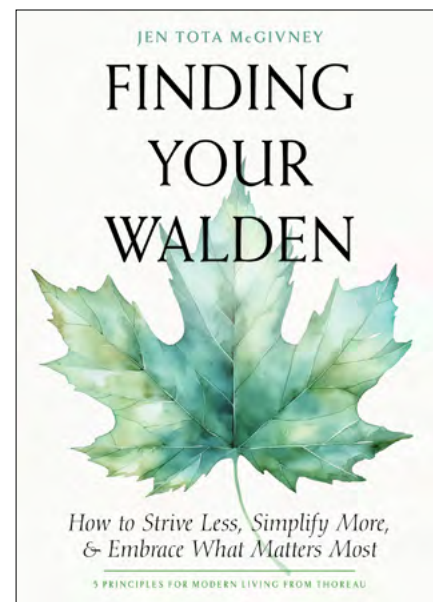

About the Author

Judith Valente has won numerous awards for her work as a former correspondent for PBS, NPR, and the *Wall Street Journal*. She is also president of the International Thomas Merton Society.

Digging for Mother's Bones

A Guide to Unearthing True Feminine Nature

Coco Oya Cienna-Rey

- The book covers key topics in self-help and popular psychology: ancestral healing and healing the mother wound
- As a Black tantrika, Cienna-Rey explores the little-known African roots of Tantra

"Digging for Mother's Bones is the kind of medicine that our world so desperately needs right now!" —Emmi Mutale, author of *Return to the Mother World* and founder of *Feminine Revered*

Through visionary words and hard-lived realities, Coco Oya Cienna-Rey guides us through the darkness and great joy of reclaiming our connection with the Mother—a process of deep surrender and healing.

Digging for Mother's Bones explores:

- › The mother wound
- › Healing the mother line
- › Reclaiming our sexual energy
- › Embodying the feminine
- › Stepping into our power

"Coco Oya Cienna-Rey is a true oracular voice for the Great Mother, anchoring the reclamation of the wild, sensual, embodied, and future ancient feminine." —**Caroline Seckinger** of *Her Eternal Ceremonial Knives*, artist, author, and ceremonial guide

About the Author

Coco Oya Cienna-Rey is a UK-based creative, mystic, soul guide, and writer. Her creativity is informed by her journey as a devotee of the Tantric path (an embodied path of self-liberation) and being a channel for the divine feminine.

Flower Magic

The Secret Language of Flowers

A Guide to Their Enchantment, Mystery, and Sacred Use

Anastasia Mostacci

Illustrated by **Giada Ungredda**

- A sumptuous blend of nature and magic
- 60 full-color botanical illustrations

Discover the magical language of flowers.

Flowers have a language all their own, and understanding their magnificent language opens up a whole new world of expression and magic. They speak to us through colors, shapes, and their confident opening to the world. They are brave; from the moment they are just a bud, they are not afraid to unveil themselves and fully show their nature. The magic of flowers is everywhere, generous and undeniable, and it reminds us at every moment of the beauty of the world, even when we have forgotten it. Flowers, living entities with which we can forge a connection, inspire us to nurture their splendid attributes within ourselves.

Here you will explore sixty flowers organized into six gardens: the Garden of the Psyche, the Heart, the Sun, the Inner Child, the Wind, and the Senses. Each garden has messages and secrets to share for healing, growth, blessings, and cleansing.

This beautifully illustrated work takes you on a tour of the most magical flowers nature has to offer, transporting you into a world of color, fragrance, and hidden potential.

About the Author and the Illustrator

Anastasia Mostacci is curator of the Grow a Lotus project, which brings together initiatives relating to the world of plants and those that increase humans' relationship with nature. **Giada Ungredda**, an illustrator and graphic designer, has studied advertising graphics at the Porta Romana State Institute of Art in Florence and attended the International School of Comics.

Loki

An Illustrated Guide to the Trickster God

L. Dean Lee

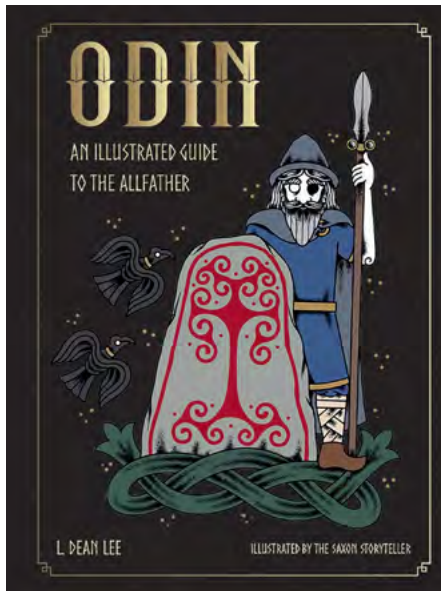

Illustrated by The Saxon Storyteller

- Part of a new series offering comprehensive and accessible introductions to the most popular Norse gods and goddesses
- Includes expert guidance from a practicing Norse heathen and illustrated by The Saxon Storyteller—77.5k Instagram followers

A complete introduction to the Norse god Loki, covering his origins, his characteristics, his place in the pantheon of Norse mythology, and his lasting significance in the modern world.

This is a culturally informed introduction to the Norse god Loki, who is revered in Norse Paganism as the god who creates chaos and who is a cultural staple of northern European folklore. Known for his cunning shape-shifting abilities and a penchant for causing mischief, his actions sometimes benefit the gods. Loki possesses various magical powers, which he uses to manipulate situations to his advantage.

This book is an overview of who Loki is, what his origins as a deity are, his personality and significance, and his associations, and it offers practices on how to venerate him. Readers will find this book invaluable as a stand-alone work or as part of a series on Norse deities.

Tarot Spreads

How to Read Them, Create Them, and Revise Them

The Only Resource You’ll Need for Successful Card Readings

Meg Jones Wall, founder of 3am.tarot

- Focuses on 3- to 5-card spreads that will give you the clearest messages from your deck

***Tarot Spreads* will stand out by empowering readers to develop their own personalized spreads or tweak existing spreads to suit their needs.**

While plenty of books are already on the market that feature hundreds of prewritten layouts, *Tarot Spreads* stands out by empowering readers to develop their own personalized spreads or tweak existing spreads to suit their needs. Spreads are offered for a variety of personal situations (love, creativity, career, illness, etc.) as well as for moon phases, sabbats, astrological signs, elements, and archetypes.

With spreads of all lengths, organized by size as well as by theme, *Tarot Spreads* is a useful handbook for tarot readers of all skill and experience levels. A special aspect of this book is its focus on revising tarot spreads. Revising a tarot spread is another word for editing, tweaking, or adjusting. When your reading seems off, or doesn’t resonate, you don’t need to use the tarot spread as it’s written, and you don’t need to start from scratch. This book will teach you how to revise an existing spread to better suit your purposes.

About the Author

Tarot in Other Words

An Essential Anthology by Leading Queer Tarot Writers

Contemporary Voices from the Margins

Edited by Cassandra Snow, author of *Queering the Tarot*

- Guides readers on how to use tarot alongside other divinatory methods, like numerology, from a queer perspective

A collection of alternative approaches to reading the tarot for those looking to gain new and deeper insight—especially for marginalized folk who don't see themselves reflected in traditional presentations of the tarot.

Cassandra Snow's groundbreaking *Queering the Tarot* helped change the shape of tarot discourse for scores of new readers to reclaim this ancient practice in their own way. *Tarot in Other Words* opens doors for these brilliant tarotists, offering unique insights and concepts for tarot readers of all levels.

Presented in two parts—Part One: Finding Ourselves in the Tarot, and Part Two: Finding the Tarot in Ourselves—the anthology comprises ten essays that shine a light on the tarot from multiple queer perspectives. Understanding queerness—and why it matters in tarot—can teach all of us so much about not just gender and sexuality but also how and why we should liberate ourselves in the first place.

Contributors include: Asali Earthwork, Charlie Claire Burgess, Maria the Arcane, Maria Minnis, Junauda Petrus, Siri Vincent Plouff, Rebecca Scolnick, Cassandra Snow, Taylor Ursula, Meg Jones Wall.

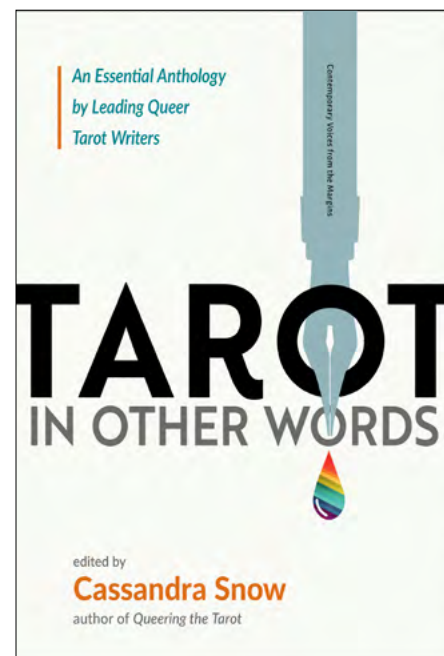

About the Editor

Cassandra Snow is a professional tarot card reader and teacher, writer, and theatre-maker in Minneapolis, Minnesota. Cassandra's writing focuses on tarot and Paganism, arts journalism, queer lifestyle, and personal storytelling.

Feral Magick

Unleash Your Inner Animal Self

Discover the Sacred Power of Animism

Denny Sargent

- Offers Pagans, witches, and occultists a potent animistic path to work with spirits of nature—what is now called New Animism

Find and hone the innate feral spirit within and discover your own inner animal self.

Feral Magick is about returning to an ancient, deeper way of being, centered on the primordial world that too many of us find ourselves cut off from. To return to this way of being, we need to reconnect with the animistic world of the spirits and the powers of nature that have been patiently waiting for us to return.

In *Feral Magick*, Sargent, widely known as the Wolf Man, teaches readers to locate and work with their own inner animal selves as well as with personal animal spirits, including many sacred deities. The book includes spells, rituals, and meditations for working with assorted animal spirits as well as instructions for crafting an animal spirit shrine. Featured animals include snakes, wolves, lions, crows, and ravens.

Practicing feral magick will lead you to form deeper intuitive bonds with your animal allies and to find the power already inherent within you.

About the Author

Denny Sargent is an artist and university instructor in linguistics. Involved in a number of esoteric traditions and orders for decades, he has written about alternative religions, hermetic magick, Taoism, animism, Shinto, and Tantra.

The MotherCulture Revolution

Sacred Activism through the Journey of Motherhood

Sigourney Belle

- Written by and for mothers as pivotal agents of change
- Beautiful design elements that effortlessly catch the eye and ignite the imagination

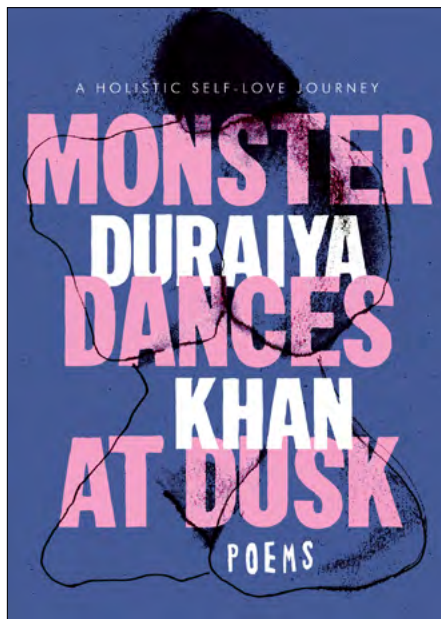

We are living in a time when the Earth is speaking to us . . . loudly. We are being asked to surrender and bow to a deeper current of wisdom that is far more powerful than our minds will ever know. Nature is having her say.

The anxiety you feel in your body is asking you to breathe and listen. Will you honor the soft, supple language of the body? Will you come home to the wisdom that exists within your flesh—the vessel that communes with and is informed directly by nature?

The MotherCulture Revolution lies in the hope for a future that puts healthy mothering at the forefront of its sociopolitical agenda and understands the vital ingredients that need to be present in order to raise children that are connected to the “mother principle”—the ability to love and be loved—an essential component necessary to shift the trajectory of humanity from one of crisis to positive, Earth-centric evolution.

About the Author

Sigourney Belle, a pioneer in the feminine revolution, has forged the path of communication between the worlds of human psychology and mysticism. Here, she focuses on the power of mothers as bringers of life, holding the evolutionary potential of our collective survival.

Monster Dances at Dusk

A Holistic Self-Love Journey

Duraiya Khan

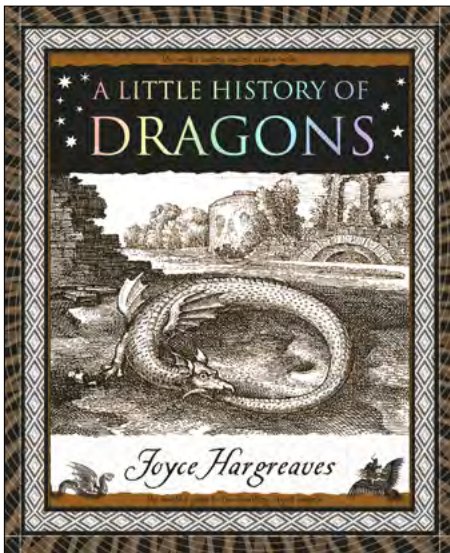

- Through the author's journey of self-discovery and healing, the book serves as a beacon of hope and empowerment

This is the author's poetic recollection of being abused as a child and how the aftermath shaped her to live her life as a shell of a woman. She takes the reader through the front seat of her mind as she navigates the pressures of being the daughter of brown immigrants and how the clash of cultures pushed and pulled her in different directions. Learning to trust her intuition and the universe, getting lost and found in the world of magic and her prophetic dreams, ultimately guided her to the rebirth of an awakened identity. She went from not feeling worthy enough to live, to searching for her purpose, pulling herself out of the hole, finding her happiness, and never looking back.

“In poetic prose, I revisit the scars of childhood abuse, molding me into a hollow shell of womanhood. Navigating immigrant pressures, cultures clash, tugging me in divergent paths. Unraveling buried trauma, self-destruction consumed, shattering false identities. Intuition emerges as my guide, leading through mystical realms to rebirth. From unworthiness to purpose-seeking, I rise, embracing happiness, truth, and destiny's dance.” —from the author

About the Author

Whether through her words or her designs, **Duraiya** enjoys guiding others through a fulfilling journey of self-discovery and self-expression.

The Oracle of Rewilding

Pathways to Renewing Our Kinship with All Things

Alexandra Eldridge, creator of *The Radiant Tarot*, and Sherry Salman

- The artist's first deck, *The Radiant Tarot*, has sold over 9,000 copies
- The striking images of this deck speak to a unity of being and universal hope in this time of transformation

An exquisite bestiary oracle that combines vintage photographs with animal spirit paintings, imbued with surreal whimsy that provokes reflection on our deep kinship with all beings.

Welcome to a world where humans and animals inhabit one another's lives in surreal, dreamlike realms of the imagination. But the images in *The Oracle of Rewilding* do not represent some fantasy. They are part of an ancient, primordial story of profound kinship that intimately connects human and animal realms.

The forty-four cards in this oracle present universal animal archetypes and the symbolic qualities they represent. The full-color guidebook explores each of the card's meanings in depth and offers a variety of ways to consult the cards

Wise Earth Medicine Tarot

Lalania Simone

- Drawing upon her indigenous ancestral knowledge, creator Lalania Simone reimagines the traditional card depictions using images from the natural world
- Each card features three tarot keywords on the front for instant access to the traditional meaning

Wise Earth Medicine Tarot is a beautiful seventy-eight-card deck inspired by the powerful wisdom of the natural world and features animals, insects, and plant life.

Each card features three tarot keywords on the front for instant access to the traditional meanings. The four suits have been renamed according to their element rather than their symbol, which further enhances the deck's connection to nature: water rather than cups, fire rather than wands, wind rather than swords, and earth rather than pentacles. The 96-page full-color booklet will include the traditional tarot card meanings as well as an oracle-style message.

About the Author

Lalania Simone is an indigenous artist, author, and mystic devoted to a path of personal expansion and collective liberation. She is also the co-owner of Alchemy Ritual Goods, a popular spiritual shop in Denver.

Tarot Emblemata

Decoding Magical Symbolism

Nitasia Roland

Foreword by Laetitia Barbier @laetitia.cartomancy

- Transport yourself to 16th-century France and connect with traditional archetypes
- The cards present a visual fusion of occult symbolism

Tarot Emblemata is a magical and mystical tarot deck of Renaissance emblems with their original Latin and vernacular mottos.

Based on the 1551 book of emblems by Claude Paradin, among the many emblems this deck portrays are plumes, helmets, swords, gemstone rings, coins, wands, clouds, wreaths, flowers, animals, trees, and Renaissance court and country. The cards present a visual fusion of the arts of illustration and writing in a dynamic interplay between ancient and iconic images, alongside their allegorical and oracular meanings. The accompanying 176-page guidebook presents tarot interpretations and elucidations on the symbolism of the emblems.

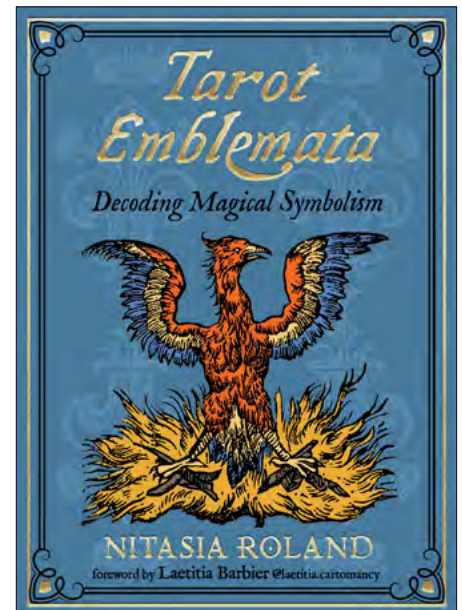

About the Author

Nitasia Roland is a writer, poet, digital artist, and independent researcher and publisher of esoterica. She has an interdisciplinary master's degree in English, poetry, printmaking, and design as well as an MFA in creative writing.

The Dragon Rune Oracle

Kieron Morgan

- This 28-card deck describes the majestic dragons, their stories, and how they can guide you on your own personal journey

The Power of Dragons in Your Hands

The Dragon Rune Oracle is dedicated to connecting to and working with the energy of the ancient and powerful dragon collective overseen by the queen of dragons, Tiamat. Insight and information can be drawn through the swirling mists of the dragon's breath to help the reader as they navigate their path through this lifetime and the challenges that it holds.

This deck contains twenty-eight cards and tells the story of the cyclical world of the dragons, helping us to connect to and decipher our own life-path questions. The path of these cards can reflect our own personal journeys and challenges and therefore help us to understand the chaos as we look for light in the darkness.

About the Author

Kieron Morgan is a healer, teacher, Alchemist, and Brother of Dragons. For the last decade, he has been a guest reader and regular workshop facilitator at the College of Psychic Studies in London.

First Aid for Broken Hearts Tarot

Compassionate Insight for Solace and Guidance through Healing

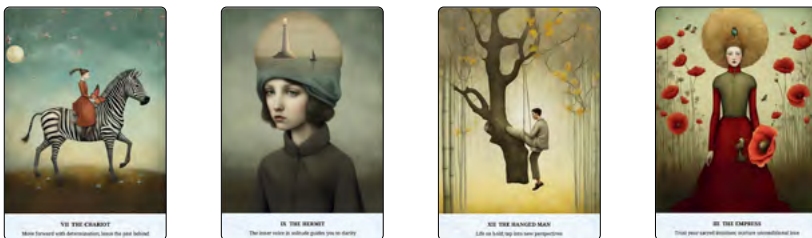

NONARA

- This deck offers a sanctuary of comfort and renewal amidst the tumultuous seas of heartbreak

First Aid for Broken Hearts Tarot is a useful tool for those grappling with the shattered fragments of a broken heart and seeking immediate respite and healing.

Much like reaching for a first-aid kit to address physical wounds, this deck is crafted with the same intention—to bring you solace and support during challenging times. The deck follows the classic Rider-Waite-Smith structure while incorporating a surreal dreamscape infused with contemporary sensibilities. Within its ethereal cards lie myriad symbols, each imaginatively associated to provide you with immediate guidance and solace. Keywords, serving as the first aid, are inscribed on the cards.

Whether you are well-versed in the realm of divination or a novice exploring the mystical world of tarot, this compassionate tool serves as an unwavering source of inspiration and visual affirmation.

About the Author

NONARA (Min-Jung Jonsson) has a rich background as a curator in contemporary art, specializing in photography and public art. Min, originally from South Korea, has resided and worked in France, Belgium, and Sweden.

Tarot Disassembled

Jennifer Cooper Steidley

- This deck takes the traditional symbolism found in the tarot and uses fresh, bold graphics to allow readers to connect to the cards in a completely intuitive way

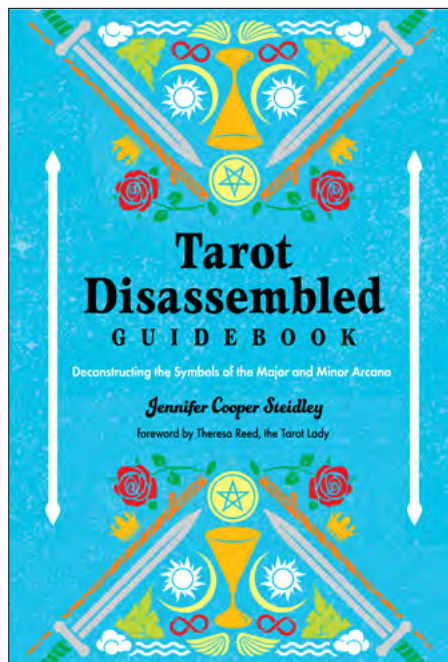

“The true Tarot is symbolism; it speaks no other language and offers no others signs.”

—A. E. Waite

Tarot Disassembled is a full seventy-eight-card tarot deck that deconstructs and reexamines traditional tarot. Utilizing a bright color palette and simple, bold graphics, each card reveals a pattern created from a fresh arrangement of the traditional symbols.

Tarot Disassembled can be used and enjoyed by seasoned tarot readers and complete novices alike. The simplicity of the symbols makes it a great first deck for a newbie, while the complexity of the visual information makes it a great deep dive for a pro.

“This deck has the effect of liberating the symbols from time and place, allowing the reader to freely construct new meanings and stories.” —**TarotArts**

Tarot Disassembled Guidebook

Deconstructing the Symbols of the Major and Minor Arcana

Jennifer Cooper Steidley

Foreword by Theresa Reed, the Tarot Lady

- An innovative guide that will help everyone interested in tarot to see the cards in a new way

Sometimes we need to take apart a sandwich to appreciate what’s in it, and the same is true for the ingredients—the individual symbols—that make up the complex picture of a tarot card. There is potential for deep understanding that comes from the act of disassembling, and the *Tarot Disassembled Guidebook* deconstructs each of the seventy-eight cards to look at the individual symbols. This fully illustrated guide presents a picture of each card but reduced down to the bare minimum: so The Fool card is a satchel, a dog, the sun, a feather, a flower, a mountain. Even without the actual Fool, these symbols speak for themselves, and the card is still undeniably recognizable.

This unique and innovative guidebook includes keywords, astrological and planetary associations, and elemental associations for each tarot card. It can be used with any deck based on the Rider-Waite system or as a companion to the *Tarot Disassembled* deck.

About the Author

Jennifer Cooper Steidley is a graphic designer by day and a tarot deck collector, creator, and enthusiast at all other times.

Who Raises the Sun?

T. P. Theyson
 Illustrated by Kai Lysander

- Explores world mythology from a perspective not often seen in children's books, focusing on the deities credited with raising the sun in different mythologies around the world

Have you ever asked yourself, *Who raises the sun?* Explore an assortment of deities from around the world given the important job of lighting our world every day in this exciting and intricately illustrated picture book from author T. P. Theyson.

As readers are introduced to the different gods and goddesses who lift the sun into the sky each day and consider the divine debate over such an important job, they'll be left with the sense that cooperation, teamwork, and acceptance all go into making our world a brighter place to live.

Featuring stunningly detailed illustrations showing each deity moving the sun farther and farther into the sky, *Who Raises the Sun?* acquaints children ages three to eight years old with a unique and lesser-explored subject in world mythology. Deities included in the main text include: So'l, Unetlanvhi, Apollo, Surya, Wurpuranili, and Aurora, with more gods and goddesses included in an appendix following the story. To ensure authenticity and respect to the ancient myths and folklore on which this story is based, members of represented communities were consulted.

About the Author and the Illustrator

T. P. Theyson is a cross-genre author, living with his family in their log cabin nestled in the woods of North Carolina. **Kai Lysander** is a comic artist and illustrator with a passion for working on narrative-based, independent projects.

The Magical Notary Art

Sigils, Seals, Notaries, & Signatures

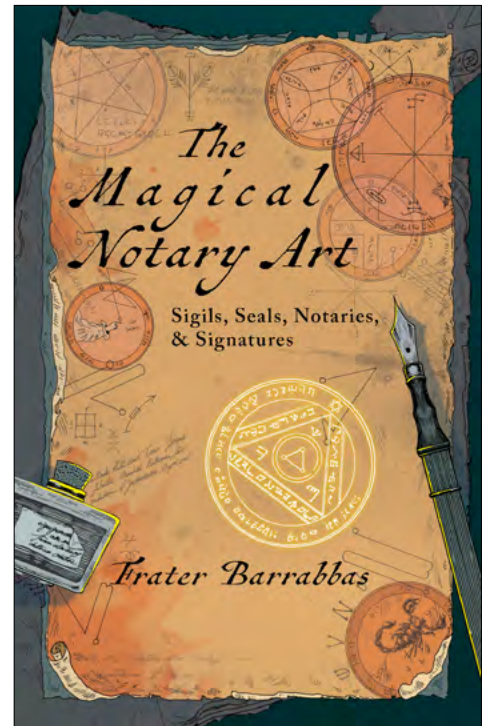

Frater Barrabbas

Learn Linguistic Magic

The notary art is a creative and imaginative methodology that translates names, words, phrases, and ideogramic images so they can be understood by the deities, spirits, and powers that reside within the super-symbolic domain.

The Magical Notary Art aims to deliver the practical methodology of the entire spectrum of notary art as it pertains to spirit names, pictographs, symbolic images, seals, words of power, and signatures. This book demystifies the art of sigil magic, providing step-by-step instructions for creating, empowering, and using sigils, making it accessible to anyone, regardless of their magical background.

This book is divided into four parts, which covers the range of the notary arts. Frater Barrabbas has written this book for the practical ritual magician and includes the methods of construction and deployment in ritual workings or as stand-alone devices.

Abramelin Lunar Ordeal

An Alternative Magical Journey

Frater Barrabbas

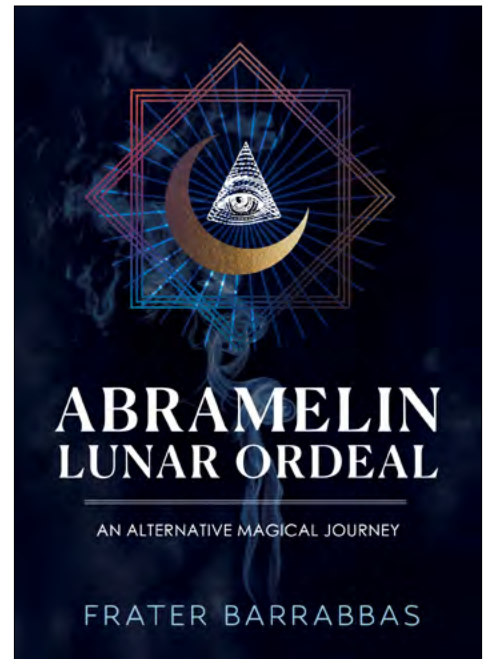

A New Method for a Timeless Ordeal

MacGregor Mathers published a book that introduced the magical ordeal to the magicians of the early 20th century. That book was called *The Book of Abramelin* and contained an arduous preparation practice that lasted six to eighteen months to manifest the Holy Guardian Angel, which instructed and guided the adherent. *Abramelin Lunar Ordeal* merges the traditional Abramelin Sacred Magic with the singular Bornless One invocation to produce an ordeal that can be accomplished in seven weeks. This unique and advanced magical grimoire offers personal transformation.

A profound contribution to the art of ritual magic, this book draws on many sources, including the Golden Dawn and Greek Magical Papyri.

About the Author

Frater Barrabbas Tiresius is a practicing ritual magician who has studied magic and the occult for over forty years.

A Witch's Guide to Fetch Work

To Catch a Fleeting Shadow

Blake Malliway

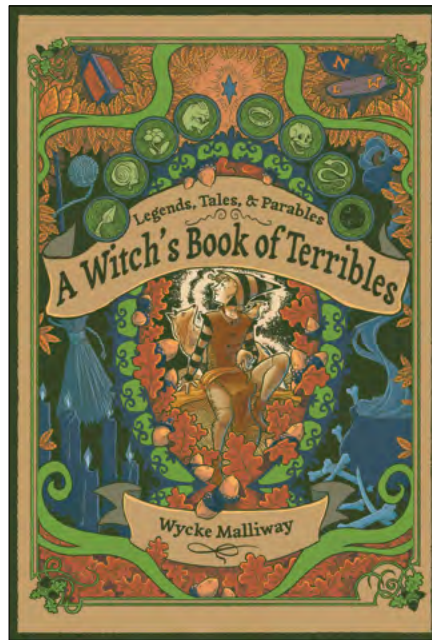

Discover the Witch's Fetch

A Witch's Guide to Fetch Work provides an extensive collection of spells, rituals, and other magical workings designed to show you how to connect with your fetch, the etheric spirit helper found to manifest within the framework of several old witch traditions.

The witch's fetch is often found to manifest within the framework of old witch lore. Despite its popularity in myth, however, very little has been written about actively working with one's fetch in magical practice. This new book seeks to bridge the gap between myth and lore and authentic magical practice. Part 1 of the book explores the mythological and folkloric origins of the fetch, while part 2 presents a new grimoire of active and intense magical practice designed to help you weave a web of magic in partnership with your fetch.

About the Author

Blake Malliway has been a practicing witch since childhood. He is co-owner of Malliway Bros., a Chicago-based witchcraft shop.

A Witch's Book of Terribles

Legends, Tales, & Parables

Wycke Malliway

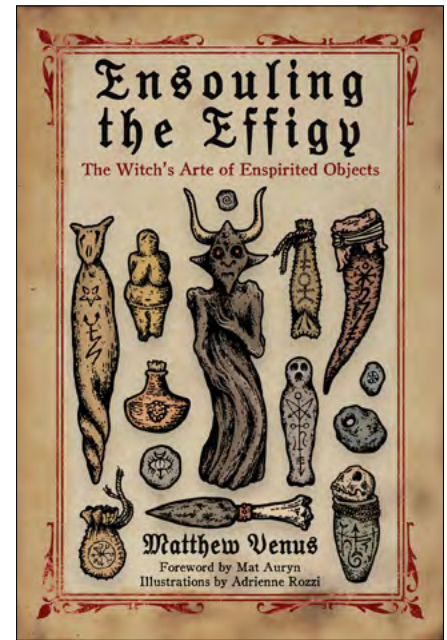

Whimsical Stories for Witches of All Ages

A Witch's Book of Terribles is a collection of story-based lessons on witchcraft told through fairy tales, poems, and anecdotes to give witches advice and warnings about the magical path.

Each enchanting story in this collection offers a lesson rooted in the art of witchcraft that a walker of any path will be sure to learn from. While witches have long been the impetus of fairy tales, it is now their turn to sit at the heart of the matter. Whether it is a fable of the timid Aunt Brynelda or a legend of the primal Nonna Noxa, there is much to be garnered from each witch's tale, both great and terrible . . .

About the Author

Wycke Malliway is a folk witch with a penchant for storytelling and a knack for mischief! He co-owns the Malliway Bros. witchcraft shop.

The Confessions of Fiona*Mythology and Folklore of the Faeries***Steven Blamires**

In 1893, the Scottish writer and mystic William Sharp (1855–1905) started writing under the name Fiona McLeod. The name Fiona did not exist before then, at least not in our world. For the following twelve years, Fiona wrote profusely of her own tradition; that is, the mythology and deities that the faeries recognize. None of these myths, legends, gods, or goddesses were known to humans prior to Fiona's revelations.

Full of legends and magic, this book is perfect for practitioners of faery lore, faery mythology, Celtic lore, Celtic mythology, and Celtic magic.

Hallowed Ground

The Folklore of Churches and Churchyards

Mark Norman

Hallowed Ground examines the surprising traditions, customs, superstitions, and secular imagery found in churches and churchyards, with a particular emphasis on the UK's traditional rural Protestant churches. Beginning with stories associated with the construction of church buildings themselves and the role that they played in the community, the book moves through a number of subjects where everything might not be as it would seem. Whether it be the famed Rosslyn Chapel or Chicago's St. Michael's Church, this book is a fascinating guide to the folklore and mythology of churchyards.

The Vegan Transformation

A Journey to Heal Yourself and the World

Angela L. Crawford, PhD

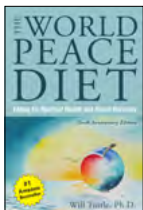

Foreword by Victoria Moran

- Discover how changing what you eat can transform your emotional, mental, and spiritual well-being

Dr. Angela Crawford, a psychologist and vegan, dispels the common perception of veganism as restrictive or depriving. Rather, her research finds that many vegans describe a sense of abundance and freedom.

Whether you are curious about the benefits of eating more plant-based foods or are already vegan and want to experience greater impact and joy—this book will serve as a faithful companion in forging your own compassionate, healthy, and purposeful life.

Exploring Topics in Non/Human Coexistence

Passion, Praxis, and Presence

Edited by Sarah Tomasello, Erin Jones, Mark Suchyta, and Nathan Poirier

- The chapters of this book push animal activism into new directions, helping to build bridges between diverse groups of people

This book highlights significant contributions to animal studies and animal rights activism regarding the total liberation of all life on Earth for more peaceful non/human coexistence. Contributors push the concept of coexistence to include not merely existing together but for all to thrive in a multispecies world, facilitating a cohesive approach toward anti-oppressive endeavors.

About the Editors

Sarah Tomasello is an independent scholar who has a master's of science in anthrozoology from Canisius College. **Erin Jones** holds a PhD in human-animal studies from the University of Canterbury. **Mark Suchyta** has a PhD in sociology and environmental science and policy from Michigan State University. **Nathan Poirier** is an instructor at Lansing Community College with graduate specializations in (critical) animal studies and women's and gender studies.

Happy Meat, Humane Animal Research, and Other Myths

How People Harm Animals and Still Live with Themselves

Peter Marsh

- Engages with a thoughtful analysis on the mass violence against animals through discussions regarding the myths surrounding meat consumption and animal research

Albert Bandura's ideas about the methods people use to avoid feeling guilty about harming others have led to valuable insights about many forms of mass violence, from wartime atrocities to terrorism and genocide. *Happy Meat, Humane Animal Research, and Other Myths* applies these insights to another form of mass violence: the many ways people harm animals. There is a provocative appendix consisting of "The Omnivore's Moral Dilemmas," an

A Ronin's Tale

An Odyssey of Manhood

Nick Osborne

Following the author's life, from growing up in a transcendental meditation commune to being unemployed at age forty to trekking the Himalayas, this inspiring book is part-memoir, part-spiritual adventure. Along the way, it recounts his experiences of being a biker bar bouncer, serving in the military, wandering throughout Southeast Asia, testing himself in intensive martial art camps, and ultimately ending up on the riverbanks of the Ganges.

A Ronin's Tale delves into the mysterious complexities of manhood and the elusive pursuit to be courageous, particularly when immersed in adversity and self-doubt. Told with honesty, vulnerability, and humor, Nick weaves his wildly adventurous hero's journey through the dense spiritual forests of masculinity, while divulging intimate details of his initiation toward inner peace and wholeness.

About the Author

Dr. Nick Osborne is a former bar bouncer, military officer, and university administrator. He is a nationally recognized expert on veterans in higher education and holds a doctorate from the University of California at Davis.

Beyond Our World, Book 2 - Exolition

David Rousseau

Beyond Our World, Book 2—Exolition, which follows on from the first volume and is a more personal account, reveals a series of experiences that the author lived and is sharing.

From journeys in spirit to higher dimensions, to earthly journeys with enriching encounters, abductions, secret space program missions, this book will shake you up.

About the Editors

David Rousseau is a French-Irish-Native American, author of the *Beyond Our World* book series. He is an artist, singer, musician, and composer; experiencer, empath, and contactee. At the age of six, he underwent abductions that attracted the attention of the French secret space programs. He was then recruited at the age of eight for his exceptional psychic and intuitive abilities.

The Oracle of Ur, Book Two

Temple of Lies

Penny Barron

Temple of Lies is the sequel to *The Oracle of Ur, Book One*. It is a story of a girl who has cataclysmic visions and learns these are messages from the gods. Officially acknowledged as the new oracle of Ur, she must become accustomed to her galactic birth name, Saoirse. She should be celebrating with the citizens of Ur, who have been saved from a devastating flood by her message from the gods. All hopes are on Saoirse to usher in a golden age. If only it were that easy.

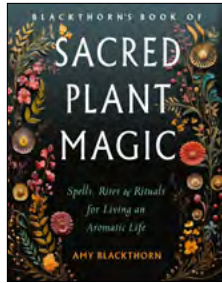

About the Author

Penny Barron lives with her three children and Sid, the failed farm dog, on the northern beaches of Sydney. In an ideal world, Penny would have infinite time to indulge her obsessions, which include delving into the hidden magic of ancient civilizations, exploring the subtleties of the healing arts, and contemplating the deeper esoteric realities.

Desk Copies

One academic desk copy is available for orders of 20 or more copies adopted for a course. All requests must be on campus letterhead or the standard AAAP/NACS request form. This info must be faxed or mailed, as no requests will be accepted over the phone. Send your request to the attention of the Customer Service department.

Examination Copies

Copies are available at 50% retail discount, prepaid. All requests must be on campus letterhead, indicating the course title and estimated enrollment. Please include payment (no cash or CODs accepted) with your request, sent to the attention of the Customer Service department.

Terms

For resellers, Net 30 days from invoice date, credit pending. Statements are mailed monthly and all shipments are FOB Dulles, VA.

Claims

Accepted only within 20 days of receipt of your order. Shortages may not be deducted from invoices without prior permission. All inquiries should be directed to customerservice@rwwbooks.com. Include all pertinent information, such as your account number and the invoice number of your problem shipment.

Returns

Returns permission is required. Please fax your return information including invoice number to (877) 337-3309 or email customerservice.rwwbooks.com

All returns must be sent to:

**Red Wheel/Weiser
Returns Department
22880 Quicksilver Drive
Dulles, VA 20166**

Overstock returns are shipped at the bookseller's expense. We are not responsible for return shipments not received at our distribution center. Books are eligible for return not before 6 months from the original invoice date and until declared out-of-print. Credit will not be granted for books declared out-of-print or for books that we no longer distribute. Please contact the Customer Service department to confirm a title's eligibility for credit.

Credit will not be given for damaged books.

We are not responsible for returning books that are ineligible for credit.

Payment Methods

Red Wheel/Weiser Books accepts MasterCard, Visa, and American Express credit cards. Checks and money orders should be payable to Red Wheel/Weiser. Postdated checks will not be accepted. Do not send cash or stamps.

Order By Mail

Please prepay your order. Total amount due includes the books ordered, plus \$6.50 shipping and handling for the first unit and \$1.00 for each additional unit. Send a check or money order or write your Visa, MasterCard, or American Express number and expiration date on the order form with your signature and phone number to the address above. Additional charges apply for air freight service.

Order By Phone
